Boone National Forest, for fun and coreation nearly two years ago. Last week he, his faithful dog Nick, and Henry Robbins finished the journey. Henry, a friend and neighbor, who joined him half way through the trek at Turkey Foot, added great spice, humor and companionship.

Rocky's plan was to drive his ancient truck to a trail head, park, walk the trail segment both directions and return home the same day; returning to the last turnaround point on the next leg of the trip working his way from north a south. He hoped that it could be done at least once a week, completing the 524 mile trip, (which completing the 254 mile trip, (which then becomes 508 miles) in about 25 day hikes, covering approximately 20 miles each day. Due to a number of factors including weather, poor trail conditions, and the constraints of work and home life, it took 45 days. Sometimes only four or five miles could be accomplished in a day. Struggling over storm damaged trails, unmarked segments, (and retracing portions thought to be trail only to find dead ends) cut deeply only to find dead ends) cut deeply into what was thought to be well planned trips. An important factor also, was the need to return to the truck before dark. Being caught in a

ildemess area at night was not part

of the "day hike" plan

Be-cause Rocky, Henry and Nick trav-eled the trail through all four seasons they were able to see the varied and abundant beauty that is bestowed upon this rugged and timeless trace. Kudos to Nick, our Australian

Shepherd, who at the advanced age of eleven, traveled at Rocky's side for the entire journey. From the mo-ment he jumped into the truck on trip ten late at night depending on the

ration. A quiet dog, he never gave chase, even to the most inviting squirrel, rabbit or wild turkey on the trails it was his duty to stay near. Though older and often stiff after a long hike, he was always ready to press ahead. The same could not always be said of the two men. Both at the back end of 59, they found their energy level called into serious question at times. Praise also, to old Ford trucks...they never die. They just made strange sounds, cough, wheeze, and just keep

going.

The objective of this trip was not to just endure, but to enjoy the walk and see Kentucky as few do. Both Rocky and Henry are avid histers, the trip was just an extension of an activity they both enjoy for health and the Henry are with the second of the Henry are avid heart to the Henry are with the Henry are with the Henry are with the Henry are the Henry

Another accident at 461-150 intersection

No one was seriously injured in a three-vehicle wreck at the junction of Hwy. 461 and 150 Monday evening around 6 p.m. Rockcastle Deputy Sheriff Doug Thomas said that Todd Cromer, 29, of Freedom School Road, traveling west on 150, apparently ran a red light because he could

not see it for the bright sun. Cromer's vehicle, shown above on its side, struck two other vehicles before overturning. The wreck occurred at the same intersection where two Somerset men died Monday a week ago.

Mullins found guilty of manslaughter

Last Thursday a Rockcastle County Circuit Court Jury found a Lexington man guilty of three counts of manslaughter.

1996, on the Hwy. 461 by-pass.
According to court records
Mullins drove his van into the path of
the Tamily's Suburban around midnight, killing C. Romie Schumaker,
38, his wife Cindy Schumaker, 40
and their son, Carl Justin, 9.
The couple's niece, Amanda
Schumaker, 15, survived the crash.
The young girl was the only one of manslaughter.
The jury recommended a total sentence of 24 years or eight years on each count for Charles Mullins, 34, following the two day trial.
Mullins was convicted of killing an entire family from Ohio on July 3,

School bus driver resigns

A Rockcastle County school bus river has resigned after a moving iolation during a field trip to Frank-

fort.

Games Brown, of Ottawa, who had driven for the local school system for almost 19 years paid a fine in Boyle County District Court on March 25 for failure to stop at a railroad crossing, according to Rockcastle County School Superintendent Larry Hammond. The moving violation occurred February 21 in Danville. Hammond said that Brown resigned effective March 31, but was re-employed as a substitute custodian.

than a month after mov ing into our new place. I note a moint after mov-ing into our new place. I note at a moint a stept on the pull out bed that folds up itse an accordion under our living room sofa. The notion was that we'fl let one of the folds have our old water bed and purchase a new one for our-selves, when we moved into our new bed irroom. The only problem was that when we moved in the bedroom was still a work in progress. Lots of painting and sawing still to go and not an environment where you'd want new

furniture sitting around.

The people who sold us the couch over ten years ago insisted that the hide-a-bed that it contained was as

comfortable as anything on the market. It was a major brand name and cost more than the car! was driving at the time so we took their word for it. And besides that, we didn't plan on steeping on it outselves any way. Now we know why our house guests over the last en years have frequently cut their visits shorter than planned. We vhad them steeping on the mattress that came with the couch when they would have been far more comfortable on the kitchen table or just leaned up in a corner somewhere. leaned up in a corner somewhere. For most of February and March I

woke up in the morning after those nights when I actually went to sleep with big ringed depressions in my skin about the size of the top of a quart jar. They were made by the bed springs which were cushioned by a layer of material nearly as thick as the stuff pantyhose are made of. I could use a bunch of adjectives to describe this mattress that can't be printed in a family newspaper. Suffice it to say that'comfortable' is not one of them. Needless to saw, eatting the bed-

Needless to say, getting the bed-room ready for furniture was a top priority and Loretta and I spent nearly 12 hours on Good Friday getting it to the point where she felt like furniture would be safe in it. We spent the next day, easily the longest Saturday of my life, visiting stores in Lexington and looking at every single waterbed in the city five times. We still came home empty handed.

something painted hot-pink with yel-low, glow-in-the-dark polika-dots on it. How it looked was the last thioring my mind as long as I had some assur-ance that it wouldn't cripple me. I was ready to stretch a hammock be-tween the walls or move in to a hay-loft in one of the neighbor's kind AII I wanted was something to sleep on that didn't leave scars and I be I told that to Loretta at least a hundred times.

with every sales clerk in central Ken-tucky anymore."

But you all don't know my wife.
Loretta was determined that 1 we so going to approve whatever she settled on even though she know she had me right on the verge of absolute insan-ity. And as it turned out she found it ity. And as it turned out she found it right under our noses here in Garrard County at The Barn operated by Jane and Woody Prather just south of Lancaster on Highway 27. And a marvelous bed it is if I may say so myself. A king size cherry four poster with all the stuff that match at a price myseit. A king size cherry four poster with all the suff that match at a price far better than anything comparable than anything in Lexington. Never has the old saying, "It pays to shop at home," proven truer to me.

Unfortunately, the maturess is over four feet off the floor and I have

ems nodding off. I know that if problems nodding off. I know that if I roll out of bed in the middle of the night, I won't live to tell about it.

"Secret Commonwealth" composer visits Roundstone Elementary

On Friday, April 11, Roundstone Elementary School fifth graders were delighted with a visit from artist, musician and composer Daniel Dutton, Dutton's visit was the culmi-nating activity for a nine-week from and Humanities Unit of Study in preparation for the KIRIS Assess-ment.

ment.
Duton, a Somerset native, is the composer of the opera, The Secret Commonwealth. Loosely based on "Jack and the Beanstalk" and other fond childhood stories and memotond childhood stores and memo-ries, The Secret Commonwealth was first produced in Somerset and then broadcast on Kentucky Educational Television (KET) in early 1997. Dutton performed some of his songs, shared costume designs and musical instruments used in the production. instruments used in the production. He also discussed the production process ne creating The Secret Commonwealth white the students read critiques and reviews they had written using Dutton's opera as an example of incorporating art, music, dance and drama into one complete productions.

According to Norma Eversole, RES Arts and Humanities Unit In-structor, "We had already critiqued structor, "We had already critiqued some works of art, dances, musical pieces and stories using the vocabulary in the Arts and Humanities Core Content when "Commonwealth" aired on KET. We felt this production focused on all the arts components and elements of the core, including the Academic Expectations. Since it was a Kentucky-based production, the students could claim some ownership to the entire project. We used local arrists and locally produced examples of the arts where vpossible." Dutton added, Roundstone was the first school to respond to my opera. It's fantastic that they took this work and let it work for them as part of their united the students of the since it was first produced." Early in Dutton's career, he used some songs and stories in school residency programs before putting better to create the first part of TIPS Secret Commonwealth.

Mosley, program producer said, "KET is always looking at the way schools integrate our programming. Roundstone Elementary has piloted an excellent program and example of an excellent program and example of utilizing existing resources with their own goals and objectives. Our plans are to take this raw footage and de-velop it into a professional develop-

ment seminar to be broadcast in late September or early October." In closing his visit, Dutton told the students, "As you grow and continue to write, share your stories; paint, dance and sing. Always remember who you are and how you can use the familiar to create your own "Secret Commonwealth."

HEALTH CARE TREND #2:

Focus on Technology

Ultrasound. CT scanning. Mammography. Nuclear medicine. These medical advances provide tremendous benefits to patients. Such equipment often allows physicians to diagnose problems more conclusively and avoid painful and expensive exploratory surgery.

Many people are surprised to learn that Rockcastle Hospital has such modern equipment as the updated CT scanner pictured here. They're even more surprised that we have nuclear medicine and the very latest ultrasound. These technologies help physicians examine organs, brain matter and bones for signs of stroke, cer, aneurysm, trauma or other problems

Even if your condition requires a specialist located outside the county, your tests can be conducted at Rockcastle Hospital and sent to your physician, saving you significant time and money

At Rockcastle, we make taking care of your health as convenient as possible.

In Loving Memory of Mildred Ann Bullock

It's been 5 years n and often tim went away and often times we worry and wonder why this had to be, yet we can know what God's love has appointed to us is always for the best and though at times we wonder why he should lead us so just knowing he is always with us is all we need to know. So no matter how much we hurt for you as each day goes by and know that God above sees each tear e cry and when the day comes for us be together again God will will to be together again God will wipe our tears away with his everlasting love, Mildred, I wish you knew what good friends you have in Jeff and Lisa never forgetting you with their show of love, but then maybe you are show of love, but then maybe you are looking down from your home above and with that smile of yours that always showed your love for every-one to. So as the days go passing by and we long for the day when our family circle will all together again sharing our love as we did before on that bright peaceful shore. We love you and miss you very much

Act of Grace

By Vickie Petrey There was no way we could earn

Not if we worked a million years, Not all the money in the world, Not our blood, our deeds, our tears.

Could gain us a home in Heaven. Or wash our sins away.
Only the blood of God's own Son,
Could the debts of our sins repay.

So God sent His Son to die for us, To bear the weight of our sin. He died on the cross, then rose from the grave So we could begin again.

It wasn't something He had to do, When God allowed His Son to take our place. When Jesus suffered death on the

Part of the funds to be leased by the county will be used to pay past due bills in the general fund and jail fund.

To date the county has almost \$40,000 in outstanding bills to house juvenile offenders. Those will be paid, as well as outstanding bills for food

"One thing that will not be paid is a supposed \$80 000 medical bill for

inmate Charles, Mullins, Apparently no such bill exists.

Rockeastle County Jailer Joe Rockeastle Charletis, was mistaken about the bill he has referred to on several occasions, "Charles Mullins had amassed 573,000 of medical bills before he was ever indicted and put in jail here," Howard said.

"He has incurred some medical bills, but only a thousand ortwo since being held," Howard said.
"It hink the Judgee may have mis-

never indicated the insurance tax was passed because of Mullins' bill, "We till do not know how much we will be required to pay for him, but the jail and the general fund has plenty of other expenses that required the tax," With the loss of revenue from

coal severance money and the in-creased county expenses for juve-

niles and dispatching, we had no choice but to pass the tax," Carlofus

said.

The Judge said that no actual money will be borrowed, it will be borrowed. This are paid back by the year 2000," he

"We are going to sit down with state officials and see exactly where state officials and see exactly where we are, how much money the tax will bring in and what our pay back period will be. We are not going to leave another court embroiled in debt, like we were, "Carloftis said.

The court will meet in regular session this month on April 22.

Rockets are .500 on season with wins over Wayne Co. and Oneida Mountaineers

The Rockets split their last four games, beating Wayne Co. and Oneida and losing to a good Model cam and to Madison Southern.

Model 8 - Rockets 3

At Model last Thursday, the Rocket varsity could only manage wob list off the Model starring pitcher and were behind 6-1 when Coach Kyan Riddle yanked all of them and inserted the Jayvees to finish the game. The final score was 8-3 with Chris Bishop taking the loss for the Rockets.

game. The final score was 8-3 with Chris Bishop usking the loss for the Rockets.

Southern 7 - Rockets Note Triday night, the Rockets hosted Madison Southern and lost 7-5. Nathan DeLeon was on the mound for the Rockets and pitched six in-nings before being lifted in the sev-enth after giving up back-to-back singles. Scotty Moore came in to get the Rockets out of the inning on a strike out and two ground balls back to the Rockets out of the inning on a strike out and two ground balls back to the Rockets of the Inning on a strike out and two ground balls back to sout and two ground balls back to sout and two ground balls back to the Rockets out of the Inning on a strike out and two ground balls back to sout and two ground balls back-es could get a run across. season 3-2.

Lefty George Durham was in fine form, giving up only three hits in his six innings of work and striking out fifteen batters.

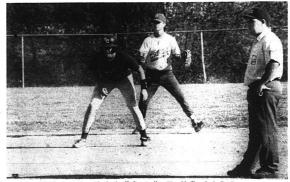

Wayne drew first blood in the second inning, getting a single with two outs. The single turned into a double when the ball got by the out-field who tried to make a shoestring catch. The runner advanced to third on a wild pitch and later scored on another wild pitching. After giving up a walk, Durham struck out the last batter in the inning.

another wild pitching. After giving pa walk, Durham struck out the last batter in the inning.

The Rockets got the run back in their half of the second when DeLeon ded the inning off with his second solo home run in as many games.

It was the fifth inning before Wayne Co. could push another run across when Durham gave up a home run to the lead-off batter. But, the Rockets came back in their half of the inning to even things up. Bishop doubledand, one out later. King aftove chim in with his third hat of the night. King stole-second but was thrownout steading third.

The most amazing thing about King's game was that he was 3-3 at the plate and was playing with a broken nose. While taking unfield

The Cardinals threatened in the The Cardinals threatened in the seventh when relief pitcher Scotty Moore gave up a lead-off single. The runner promptly stole second and went to third on the throw which got through the infield. However, he died there as Moore struck out the next batter, walked the next man, got the next batter to bit a line drive to short and recorded the third out himself on a pitch hit back to the mound.

The Rockets also threatened in the bottom of the seventh whethe Rock-ets had two men on with one out but the Cardinal pitcher got the next Rocket batter to hit into a fielder's

choice and struck out the next man.

Bradley named Beta Scholar

The National Beta Club an-nounced today that Chris Arch Brad-ley has been named a Beta Scholar which entitles him to a scholarship award of \$1,000.

award of \$1,000.
Chris, a senior at Rockeastle
County High School, competed
against more than 950 candidates
nationwide for this honor. One hundred fifty scholarship recipients were
chosen. He plans to attend the University of Kentucky in Lexingon.
Beta Scholars are selected based
on their grade point average, SAT7
ACT scores, and especially, their
active participants in Beta Club activities. He was recommended for
this award by the local Beta Club

this award by the local Beta Club sponsor, Mary Minor and high school principal, Ronnie Cash. "This outstanding young person represents the true spirit of Beta, hav-

ing excelled not only academically, but in leadership and service to school and community as well," said Dr. George W. Lockamy, executive di-(Cont. to A12)

This simple outline of the require-

verance they have shown during their middle school and high school carters. The dollar amount of the school arships received will depend upon 1) the total number of points accumulated by the student during middle and high school, and 2) the number of Seniors receiving these scholarships that year.

ANY student who has 1) accumulated points and 2) been accepted into

a college (two or four year) or technical school by May 1 of the student's graduation year will receive an incentive Scholarship. The Incentive Scholarship Trust is unique in that AVY student that puts forth effort can receive a scholarship. Any graduating Rockestle County Senior has the ability to be accepted into a college (two or four year) or a technical school. The ma-

jority of the activities that carn points for students require only dedication and commitment.

At the beginning of each school year, students will receive a list of activities that qualify for points. Student can carn points for such things as perfect attendance, academic achievement, taking collegeoritance exams and community service. Parents can carn points for their children by attending activities such as parent-teacher and open house meetings.

Students begin earning points as early as the sixth grade. Points are calculated at the end of each school year by asking students to complete a Point Sheet. If a student fails to comet at the end of the academic year, that student does not earr

points for that year. Point Sheets will be verified by school personnel. The Rockeastle Incentive Scholarship Trust's mission is to encourage all Rockeastle County students to realife that education beyond high school is attainable, and to reward those students who successfully pre-

Now imagine another learning to swim with the assistance of a certified swimming instructor. See the gleam in his eye as he comes to believe "I can" rather than "I cannot." Now imagine 10,000 Kentucky youth clearning new skills in many fields such as archery, athletics and crafts as they meet new friends and participate in many other youth activities. You've just imagined what will be reality for young people who will astend this year's 4-H summer camp program at one of five 4-H camps in Kentucky. The now week camps begin just after school ends in May and

continue through July or August de-pending on the camp.
"These young people will learn and develop skills in leadership, co-operation and responsibility," said Dwight Crum, Extension 4-H spe-tualst with the University of Ken-tucky College of Agriculture. "But camp is not just a learning experi-ence. It's also a fun time, a time for young people to become reacquainted with friends from previous years and to meet new ones."

to meet new ones."

The camps are located near Carlisle, Rush, London, Jabez and Dawson Springs. They range in size from 175 to 1,200 acres and all have modern facilities, including cabins, dining halls, swimming pools, lakes for canceing and fishing, athletic fields and ranges for archery and

GOOD NEIGHBORS CAN BE **COUNTRIES AS WELL AS** PEOPLE

. Caronero

It has been said that we can choose our friends, but our relatives are wished on us. Moreover, this is true of our neighbors, who were also acquired by accident, but we can and should be good neighbors. Do the and should be good neighbors. Do the people next door watch your house when you go away, and do you offer to feed their dog when they take a vacation? This sort of good neighbor relationship can also be established between adjacent countries, like Canada and the United States, and canada and the United States, and fortunately, it has happened that way. This is evident from our continent-wide unguarded boundary line, our friendly competition in sports, and other things. Let us thank the Lord for this, and pray that our good neighbor relationships will last forever, with both the house part does not the country. both the house next door and the country
