Serving Rockcastle County Since 1887

Mount Vernon, Kentucky 40456 - (606) 256-2244 Volume 126 • Number 26 .50 per copy Thursday, June 7, 2012

Livingston Fire and Rescue responded to a house fire on Main Street in Livingston around 2 o'clock Sunday morning. Authorities say the home belonged to Livingston native Donald Rice, who is currently living in Ohio with his daughter. The cause of the fire is unknown. No one was living in the home at the time of the fire.

SourceCorp leaving county on June 8th

By: Perlina Anderkin
At Monday's meeting of the Rockcastle County Industrial Authority, Executive Director Holly Hopkins told the board that it was official that SourceCorp, now SourceHOV, would be consolidating their Rockcastle County operation with their operation in London as of June 8th. Hopkins said it was a move by the company to save money and was necessitated by NOAA not being

funded which was the primary source of jobs in the company's operation in the county. SourceHOV will continue paying the monthly lease fee of \$25,000 for the building through the remaining term of the lease. However, County Treasurer Joe Clontz, who was present at the meeting, told the board that the company was not paying their agreed

Brodhead man arrested for meth lab Thursday

By: Doug Ponder
A Brodhead man was arrested last Thursday for manufacturing methamphetamine, after the Kentucky State Police made a traffic stop on Coffey Cemetery Road in Brodhead. Arrested at the scene was Chaz M. Cable, 29, of Brodhead. According to Deputy Sheriff Matt Bryant, officers from the Rockcastle County Sheriff's Department and Mt. Vernon Police Department were responding to a possible burglary on Chestnut Grove Road when they observed Cable pulling out of a location nearby.

Trooper Jason Vanhook, who was also responding to the burglary call, made a traffic stop after observing Cable turning around in the middle of the road without using turning signals. Upon receiving consent to search the vehicle, officers found syringes in both compartments of the driver-side and passenger-side doors. Officers observed that one of the syringes was loaded with a liquid and Cable told officers it was pain pills. Inside the trunk, officers found a green duffel bag

(Cont. to pg. 16)

State's six year road plan contains several future bridge projects for county

According to the recently released 2012 Highway Plan, Rockcastle County's bridges will get some much needed attention -- at least by 2015. Four bridges are scheduled for replacement in the plan, but none of them are scheduled for construction until 2015 with design, right-of-way purchase and utility relocation taking place through the year 2014 before the actual construction.

Boswell back in custody

By: Doug Ponder
An inmate who escaped from authorities in March is now back in custody at the Rockcastle County Detention Center. According to Rockcastle County Jailer James Miller, Matthew Shane Boswell, 24, of London was arrested last Tuesday in Tazewell, Tennessee on a minor charge were he reportedly told officers his middle name was Edward instead of Shane in an attempt to cover up his identity. Boswell was lodged in the Claiborne County Detention Center and was later transferred to the

ment of the bridge on KY 1505 over Dix River 0.037 east of Ky. 2250 (Old US 150), will cost a total of \$1,985,000. The other three bridge projects include:

Replacement of the bridge on KY 1787 over

Authorities searching for escaped inmate

By: Doug Ponder
An inmate at the Rockcastle County Detention Center escaped from authorities while on work release around noon on Tuesday.

According to Rockcastle County Jailer James Miller, Arthur Jay Caldwell, 37, of Richmond was working at the Rockcastle County Animal Shelter when he escaped.

Caldwell was originally arrested for possession of a controlled substance on Oc-

(Cont. to pg. 16)

Escaped Inmate Arthur J. Caldwell

Davis Branch 0.07 S of Salt Springs Hollow Road at a cost of \$1,140,000;

Replacement of the bridge on Wildie Rod (CR1071) over Clear Creek 0.67 mile S of Disputanta Road at a cost of \$960,000, and

Replacement of the Bridge on Wildie Road (CR1071) over Clear Creek 0.2 mile S of Disputanta Rd. at a cost of \$970,000.

The plan also includes

\$1,500,000 in funds toward the widening of I-75 north from where the cable barrier ends to where the three lanes begin. However, according to Amber Hale with the Department of Highways office in Somerset, the \$1,500,000 is all the funding this project has at present and can be used for pre-construction expenses or wherever needed for the

(Cont. to pg. 9)

Mt. Vernon Fire and Rescue responded to a single car accident Monday afternoon on I-75 in the southbound lanes at the 57 mile marker. Authorities say a Lexington woman was traveling in the right lane when she lost control of her 98 Ford Explorer and rolled over into the emergency lane. The driver was also pulling a camper that flipped leaving debris all over the roadway. The southbound lanes were closed for approximately one hour. No one was injured in the accident.

Red Hill Horse Camp hosts 37th annual 100 mile ride

By: Doug Ponder
The Rockcastle County Saddle Club will hold their 37th Annual 100 Mile Horse Ride at the Red Hill Horse Camp in Livingston next week. The 100 mile ride is a four day event that begins on Wednesday, June 13th and ends on Saturday, June 16th with all proceeds going to the Rockcastle County Saddle Club. The Red Hill Horse Camp was founded by Livingston native Gene Philbeck, who has been an avid horse rider since he was a young child. "All my life I have been involved with horses," Philbeck said. "No matter what kind of new hobbies I tried, I have

always come back to horse riding." Philbeck said he saw the need for a horse camp here in Rockcastle County after having to travel miles away to other horse camps out of the county. "I wanted to create a local camp for horse riders here in Rockcastle County," Philbeck said. "That way they wouldn't have to travel out of the county to go to a horse camp." However, Philbeck said he never envisioned the horse camp growing into what it has become today. "My original intent was to only have a place for our family, friends and local saddleclub to ride," Philbeck said. "Now the camp has grown to where the majority of our custom-

ers are actually from outside the county and state." The horse camp consists of over one-hundred miles of horse trails that go through the Horselick Creek and the White Oak areas in the Red Hill Community. The horse camp has fifty camper and tent hook-up sites with both water and electric available upon request. The camp also features showers, restrooms, horse stalls and a four person cabin to rent for those who choose not to bring a camper or tent. The Red Hill Horse Camp holds four three-day-rides each year and is also open to group rides or single rides year round by reservation only. With more horse riders coming to the camp, along

with a high return rate of previous riders each year, Philbeck says he plans on expanding the facilities at the camp in the near future. Philbeck is currently building new horse stalls and also plans on building

building new horse stalls and also plans on building

(Cont. to pg. 9)

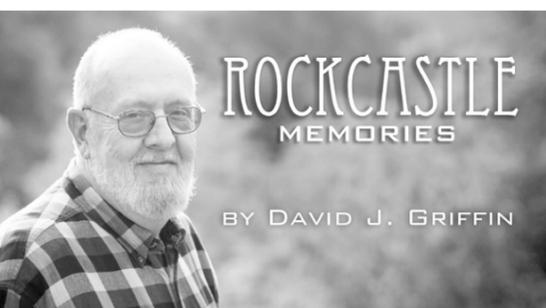

Visitors at the Red Hill Horse Camp set up their campsite for the Rockcastle County Saddle Club's 100 mile ride starting next Wednesday. The horse camp has 50 RV and tent sites available to visitors interested in attending the event.

ROCKCASTLE MEMORIES

BY DAVID J. GRIFFIN

Your Hit Parade

I am occasionally reminded by a few of my readers, especially my brother Al, that there was good music before rock and roll appeared on the scene. Even though I usually concentrate on the music of the late 50's and 60's, I do remember lots of songs that my mother (Bee) and brother listened to in the late 40's. Bee was extremely fond of Perry Como, Frank Sinatra, and Bing Crosby. I can also remember Al listening to Al Jolson on the radio frequently.

The radio show Your Hit Parade is an American icon that was broadcast from 1935 to 1955, offering the most popular and bestselling songs of the week. Dozens of singers appeared on the radio program, including several that I actually remember - Dorothy Collins, Gisele MacKenzie, Johnny Mercer, Dinah Shore, and Barry Wood. They performed the top 15 songs that a survey selected from sheet music sales, phonograph records, the songs most heard on the air, and the most played songs on automatic coin Juke Boxes. The show proclaimed, "These songs are an accurate, authentic tabulation of America's taste in today's popular music."

The radio show had a countdown (with fanfares) of the songs leading to the top three finalists, and a number one song as the week's finale. The program was sponsored by American Tobacco's Lucky Strike brand of cigarettes. The show was even called The Lucky Strike Hit Parade by many of the listeners; it aired each week on Saturday evening at 10 p.m. as a 60-minute program.

My mother was a devoted listener to the popular radio show. I can still see her relaxing in her big, blue rocking chair as she listened to the weekly countdown. The radio show became a television program on the NBC network in 1950. Bee was excited to be able to watch the singers perform the chart toppers rather than just listening to them. She loved the new television show so much that she made it a weekly "to-do" about it, creating a time for us to watch the show together. She purchased a ring-binder notebook in order to keep a weekly log of the songs performed each week. Before each show, she always prepared a snack that we could share during the program. Although I was very young at the time, I still remember those times that Bee and I spent together. But I also loved watching our new television set so much that I really didn't much care what show was being broadcast. The little, black and white, wooden television itself was spellbinding to me.

The TV show aired from 1950 until 1959. In 1953, it won a Peabody Award "for consistent good taste, technical perfection, and unerring choice of performers." In 1956 the show won an

Emmy for choreography, and in 1957 another Emmy for art direction. I am certain that Bee saw each one of these shows. And it's likely that I saw them as well.

On August 5, 1957, my dedication to Your Hit Parade changed suddenly and dramatically when Dick Clark's American Bandstand premiered on television. Each afternoon, Monday through Friday at 3 p.m., Dick played the week's most popular rock and roll songs while teenag-

The Roots of Rockcastle

by: Tonya J. Cook

Rockcastle's Civil War Hospitals, Part II

In the last issue of the Roots series, the subject of Civil War hospitals was discussed. There were several major hospitals located within the state, but none here in the county, only field hospitals.

The major hospitals were located in the larger cities of Lexington, Louisville, Ashland, Bowling Green, Covington, and others. The hospitals were always located near railroads to allow for the transportation of the soldiers and supplies.

However, smaller field hospitals sprang up throughout the countryside of Kentucky and other states. Almost any structure was used; schools, churches, private residences, and public buildings served the wounded.

Probably the most-noted field hospital in Rockcastle was located at the Great Saltpetre Cave. The cave was discovered in 1798 by John Baker and has gone through several owners and served many purposes during the years.

The cave was rich in calcium nitrate, a chief component of gunpowder that was used not only in the War of 1812 but the Civil War, as well.

During the Civil War, there were miners of the calcium nitrate who are said to have lived on-site. Also on-site, there was the hospital that treated numbers of wounded soldiers in the area. There is said to be a small stream of water running through the cave that benefited its dwellers and the wounded at the hospital.

Another field hospital of the day was the private residence of a Dr. Cooper in Livingston. He was the first doctor in the Livingston area.

Before the War, Dr. Cooper had built a white, two-story clapboard-sided house just across the river in Livingston where he would tend the wounded from Camp Wildcat. The house changed owners over the years. One owner was Bill Moore, who sold it to Faye Hacker. Over the years, someone put red brick over

The Way I See it

By Doug Ponder

This Saturday will mark the 144th running of the Belmont Stakes, which is the third and final thoroughbred horse race in the Triple Crown series consisting of the Kentucky Derby, the Preakness and the Belmont Stakes.

I must admit that I am not a fan of horses. I am actually terrified of any animal larger than a dog. However I am a fan of horse racing, mainly because of the atmosphere that surrounds both Keeneland and Churchill Downs during horse races.

This year, I am even more interested in the race as the Thoroughbred horse

"I'll Have Another" will be racing in the Belmont Stakes to possibly become the twelfth Triple Crown winner.

I'll Have Another and its jockey Mario Gutierrez have both been the underdog in all three races of the Triple Crown this year. However, during the Kentucky Derby and Preakness Stakes, the horse made a miraculous finish by passing the favorite Bodemeister in the final seconds to grab the wins.

After the horse won the Kentucky Derby, the emotional Gutierrez described him as something special despite being the underdog during the race.

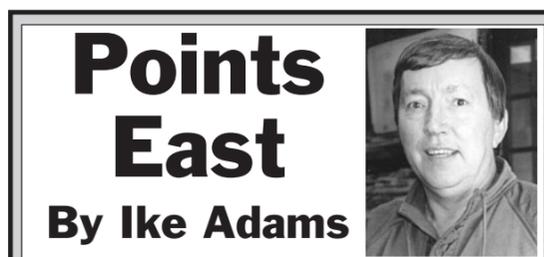

"He is an amazing horse." Gutierrez said. "From the first time I met him, I knew he was the one."

For an underdog horse to possibly join the ranks of Sir Barton, War Admiral and Secretariat as a Triple Crown winner will be an amazing feat and should be something that is worth a movie deal in Hollywood.

I have always rooted for the underdog in any sporting event, with the exception of UK basketball of course. This year it won't be any different as I will be rooting for I'll Have Another to become the twelfth Triple Crown winner.

I understand that there have been a lot of horses

(Cont. to A4)

Points East

By Ike Adams

I don't know what I was expecting last Saturday morning, but a crowd of over 1,300 people walking the grounds at Keeneland exceeded both my own and the organizers' expectations by about 800 walkers.

I was, of course, participating in the "Step Out" walk to stop diabetes along with 3 year-old grandson, Tyler Kane Ochs and 15 members of his family and his friends. Not only was the crowd huge, but the weather, though much cooler than normal, was perfect. I had to wear a jacket over my "Team TKO" t-shirt but I hobbled and wobbled over the mile-long course without falling down or even stopping to rest.

A representative from the American Diabetes Association (ADA) who has been attending these walks, all over the nation, for years said that the Bluegrass walk was easily the largest turnout she had ever seen.

I suspect the crowd was even larger than announced, because over 1,300 walkers actually registered in and a lot of people were not bothering to do that.

On behalf of Tyler and the rest of Team TKO, I want to extend a heartfelt Thank You to my readers who made donations to our cause! In fact, donations to ADA are still coming in the mail to my home address so I don't yet know how what

Team TKO's total contribution amounts to but I believe we have reached our goal of \$1,500 in donations to help fight diabetes.

When we left the grounds around 10:00 AM, more than \$200,000 had already been turned in. When all is said and done, it is safe to predict that the Bluegrass "Step-Out" walk will have generated over a quarter million dollars to help find a cure and provide services to victims of this terrible disease.

If you made a donation to ADA through Team TKO, you know who you are so please also know that Tyler and I are oh so grateful for your generosity.

In other news, I have been getting tons of email, snail mail, phone calls, queries to both Loretta and me on the street as to how my stroke recovery is coming along. And the answer is; not nearly as well as I'd like.

I am not a patient person, but I am having some complications that seem to be getting worse instead of better. Lots of pain, especially in the morning, in every joint from my shoulder to my fingers and inadequate blood circulation that is causing lots of swelling. My left hand is nearly twice as large as my right hand. It is difficult to determine how much of this to attribute to

Our Readers Write

Thank you...

Dear Editor,
I want to publicly thank County Judge Buzz Carloftis and County Jailer James Miller for the use of four work release inmates at our recent Exile concert at the Kentucky Music Hall of

Fame. They came to work before 8 a.m. and stayed after 8 p.m. helping us setup sound equipment, move tables, setup tents, etc. They were a great help and benefit to the Hall of Fame.

Thank you again.
Roy Martin
Board Chairman, KMHO

Travel safe and smart this summer

Summer is upon us, and for many, the season means at least one family vacation or weekend getaway. According to a 2011 TripAdvisor survey, 90 percent of Americans were planning to take two or more leisure trips within the next year and 24 percent were planning five or more trips. Of those surveyed, 79 percent said they plan to spend at least \$3,000 on these vacations. As you start planning your next vacation, you can take precautions to keep yourself, your family and your finances safe when you travel.

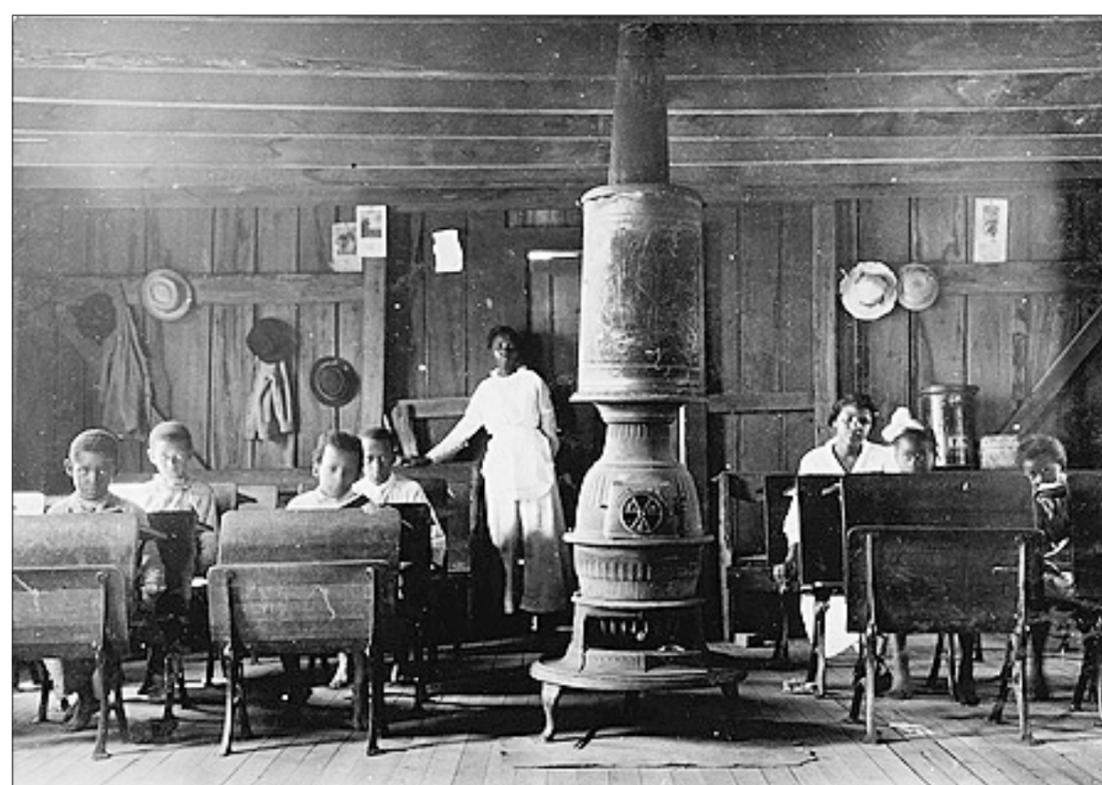

Whether you plan your own trip or use a travel agent, you should watch out for travel fraud. Ask friends and family for referrals when looking for a reputable travel agent. When working with an agent, always ask about the items that are not included in the travel package so you can plan for those extra expenses. Remember that companies or individuals that cold-contact you are often scam artists. If it sounds too good to be true, it probably is. Using your credit card to book a trip or pay for a travel package can allow you to dispute any scams.

Many travel agents and certain websites may suggest that you buy travel insurance. Travel insurance is not a requirement, but can pro-

tect you in the event that you need to cancel your trip or have any unforeseen expenses, such as medical problems or emergency evacuations, while vacationing. In most cases, the more risks that are covered in a policy, the more expensive it is. Take time to review your current situation and get several quotes on prices and policies to determine whether the coverage offered outweighs its cost.

When packing for a trip, remember certain necessities as airline tickets or confirmation, passports, driver's licenses, hotel reservations and any prescription medications. Make sure these items are in a place where you can easily locate them, such as an airplane carry-on bag or in a designated spot in a car.

Do your research to find a reputable hotel in a safe area that will best suit your needs. Upon arrival, secure any valuable belongings in the hotel's safe, if one is available. Unfortunately thefts do occur in the lodging industry, and most hotels will only accept responsibility for items placed in their safe. You can minimize your risk of being a victim of theft while you're away from your hotel room by leaving the television on at a level that can be heard from outside the room and placing a privacy sign on the door to give potential thieves the idea that

Blast from the Past!!!

someone is in the room. Do not put out a sign asking for maid service as that's often a sign of an unoccupied room.

"Memories"

(Cont. from A2)

ers danced the afternoon away as we watched on our television sets. The teenagers of the day were quickly drawn into the show when they could watch Dick's guests sing their Top 40 hits. Now teenagers had their own show, and we abandoned Your Hit Parade to listen to our own music.

Your Hit Parade faded with the rise of rock and roll and American Bandstand. It has been said that big band singer Snooky Lanson's weekly attempts to perform Elvis Presley's "Hound Dog" hit in 1956 hastened the end of Your Hit Parade.

Your Hit Parade's familiar closing theme was "So Long For A While." The lyrics were:
So long for a while.

That's all the songs for a while.

So long to Your Hit Parade, And the songs that you picked to be played.

So long!

Once American Bandstand had been established in the nation's living rooms, the big band program began its rapid decline. The show moved from NBC to CBS in 1958. Your Hit Parade had not been able to deal with the rock revolution, and the last show was aired during the fall of 1959. My mother was sad. On the other hand, my friends and I now had our own show so we did not miss Your Hit Parade. Rock and roll was here to stay!

"Points East"

(Cont. from A2)

the stroke or to Parkinson's Disease or to arthritis or to diabetes or a combination of all five.

I still have scant control of my left arm and hand. I can't type with left hand or make it go where I want it to but that seems to be improving, however slowly.

My best buddy, Ralph King, brought his big Cub Cadet, rear-tine tiller out three weeks ago and fixed me a 3,000 square feet garden. My good friend, Jack Gadd, sent me two huge bales of straw mulch. Ralph also bought me an amazing tool that is sort of like a scuffle hoe that I can use to fight morning glories one handed, so I start the day and close it down in my garden. It is the best therapy I do.

I have 300 row feet of bodacious sweet corn up and growing along with 120 feet of beans. I also have 3 kinds of squash, 9 varieties (40 plants) of tomatoes, okara, cucumbers, bell and banana peppers, Ichiban egg plant and a dozen different herbs to look after. I may be slow but I sure stay busy and gardening keeps my mind off all the darned health problems. I may be badly bent, but I'm still not broke.

"I See It"

(Cont. from A2)

lose at the Belmont Stakes who had previously won the Kentucky Derby and Preakness Stakes such as Big Brown in 2008, Smarty Jones in 2004 and Funny

Cide in 2003.

Despite all the odds stacked against him, I still have a suspicion that I'll Have Another will shock the world by ending the thirty-three year drought without a Triple Crown winner as he will once again live up to his name and decide he will "have another" win.

JHAC horse show at Brodhead Fairgrounds

Submitted by Ashley Reynolds, JHAC Public Relations Coordinator

It's that time of the year again! Time for Horse shows but more importantly the Just Horsin' Around Crew are hosting their 6th annual Fun shows again! This year the crew is planning on our 2012 shows to be bigger and better than in the past! Our first show is set for this Saturday June 16th at 5:30 pm at the Brodhead Fairgrounds. For our spring Fun show the Crew has chose to give proceeds to Animal Victims of the Tornadoes in March.

We are donating the proceeds from this upcoming show to animal victims who have lost their homes, water or food sources, etc. from the tornadoes in March. If you or someone you know would like to apply for the donation/grant, please send us an email @ kjstables@yahoo.com or Kayla Leger at (606) 308-3762 or Ashley Reynolds at (606) 308-5352. We will disperse the money to different people and see that the proceeds go to the animals in need. Anyone applying and receiving the grant could receive up to \$500!

The JHAC has something for everyone at our shows. If you are planning on bringing your horse we have a variety of classes for the many different breeds of horses; to name a few we have the flag race where riders gallop their horses at

full speed around the ring and try to capture flags from the poles without dropping them or running past them- the fastest time wins. There is also the generation gap class where riders that are ten years apart in age show their horse at a walk and favorite gait. The Miniature horse classes are always a crowd pleaser with the tiniest horses in the world strutting around the ring; we have different types of driving and halter classes for the miniatures. Just like years before we will have our Baby Bottle Contest, Musical Feed Sack Class, Water Glass Class, and our Shovel Race.

For those of you who are unaware of the hype going on in the horse showing world; it has made national news of a trainer soring their horse and beating them to enhance their performance, according to the Horse Protection Act "The Horse Protection Act was enacted by Congress in 1970 in response to public concerns about soring of horses. As a Federal law (15 U.S.C. §1821 et seq.), the Horse Protection Act prohibits sored horses from participating in exhibitions, sales, shows, or auctions. The HPA also prohibits persons from transporting sored horses to compete in shows." With this being stated; the JHAC will not tolerate any sored horse on our premises. We do not support the soring of horses and we will NOT tolerate

sored horses on our show grounds. We put on our shows for fun to help raise money to help support associations or individuals in our community or surrounding area. Our show was designed to give people who do not sore their horses a chance to partake in friendly competition and above all have fun. We are not affiliated with any large associations nor do we support the soring of horses; the JHAC was put together by a group of friends from right here in Rockcastle County who love horses and want to share with others the joy and fun you can have with such an amazing creature.

On Behalf of the JHAC I encourage everyone to come out and join the fun that goes on at our show, our goal is to have fun with our horses, while being able to give back to our community. Even if you don't know much about horses, I'm sure you can find something you like at our show, whether it's watching your neighbor being drug around the ring suspended from the saddle of the horse riding a shovel, or enjoying some of our homemade BBQ and Tenderloin sandwiches. If you or your business is interested in donating to our shows call Ashley Reynolds at (606) 308-5352 or Kayla Leger at (606) 308-3762. Just Horsin' Around can't be a success without your help. We look forward to seeing everyone there!

36th Wedding Anniversary

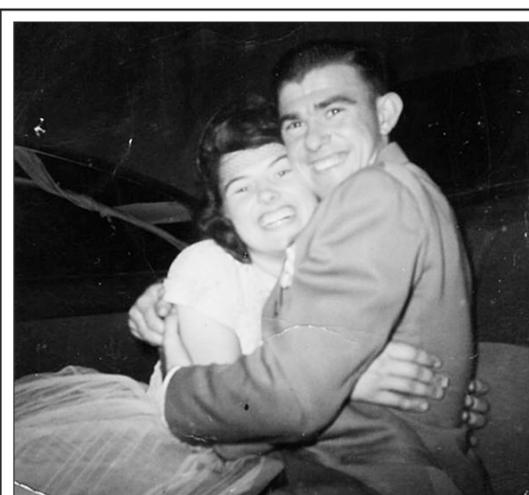

Mr. and Mrs. Frank Lamb, of Brodhead, celebrated their 36th wedding anniversary on June 4th. A long time together, no time apart, that's how we made it, from the start. *Happy Anniversary - Love, Frank and kids.*

Graves - Lamb

The families of Stephanie Renee Graves and Brandon Jay Lamb would like to announce the engagement and forthcoming marriage of their children. Stephanie, a 2009 graduate of RCHS, is the daughter of Winfred and Barbara Graves. Brandon, a 2006 graduate of RCHS, is the son of Ronnie and Susan Lamb.

A July wedding is being planned and the couple will reside in Mt. Vernon.

60th Wedding Anniversary

The children of Paul and Helen Proffitt Napier invites friends and family to attend a 60th anniversary celebration in honor of their parents on June 17th from 2:30 to 4:30 p.m. at the Quail Fire Department located on Hwy. 70.

The couple was united in marriage on June 11, 1952 in Lawrenceburg, Ind. *Happy Anniversary Dad and Mom - Rose, Melody, Larry, Della, Paula.*

Backyard VBS

A Backyard VBS will be held Saturday, June 16th from 3 to 9 p.m. at Livingston. There will also be a Gospel Concert with Tony Renner and Friends. There will be free food, games, crafts, music, inflatables. Church vans will be available for transportation. Call 606-308-3099 if you need a ride. (Children under 4 must have parental supervision). *"Great is our Lord and of great power: his understanding is infinite."* Psalms 147:5. Sponsored by the Community Mission Team of Rockcastle County (Hands-4-Jesus).

Gospel Singing

Lighthouse Baptist Church (1391 Gabbardtown Rd., Berea) will hold a Gospel Singing on Sat., June 9th at 6 p.m. and Sun., June 10th for Homecoming Services. Featured will be The Murray Family from Hamilton, Ohio. Sunday School at 9:50 and Worship Service at 11 a.m.

VBS Kick-Off at Union Baptist

Union Baptist Church on Red Hill will hold their Vacation Bible School kick-off on Sun., June 10th at 6 p.m. Bible School will be held June 11-15 from 6 to 8 p.m. Family night will be Friday, June 15th from 6 to 8 p.m. The theme for the week is "old-fashioned."

One Day VBS

Macedonia Baptist Church will hold a one day Vacation Bible School "Amazing Wonders Aviation" on Saturday, June 9th. Registration begins at 10 a.m. A cookout will be held afterwards. The church is located at 6567 Scaffold Cane Road, Mt. Vernon. For more information or transportation, call Pastor Barry Hurst, 606-759-9109 or 859-200-6331, Stephanie Hurst 859-200-4143 or John and Becky Harding 606-256-1076 or 606-255-7077.

Concert

The Praise Singers, from Irvin, will be at the Renfro Valley Country Store, 145 Hummel Road, Fri., June 8th at 5 p.m. Bring a chair and enjoy.

Special Worship

Grace Fellowship will host a special worship experience with "The Final Goodbye," a contemporary worship band from Valor Christian College and World Harvest Church in Columbus, Ohio on Sunday, June 10th at 6 p.m. This will be a great opportunity for students to find out more about Valor Christian College, and the ministries of Rod Parsley, and World Harvest Church in Columbus, Ohio. For more information call 606-864-4635 or visit www.graceforyou.com. The church is located in the Carnaby Square Shopping Center in downtown London.

Bible Talk

This Sunday and every Sunday will be a time when Christians remember the one who died for them so long ago on Calvary: *"And upon the first day of the week, when the disciples came together to break bread, Paul preached unto them, ready to depart on the morrow; and continued his speech until midnight."* Ac.20:7. This verse reveals the pattern of when the Lord's supper is to be done, upon the first day of the week. How often does the first day of the week come? Every week of course. In Luke 22:19, Jesus said *"This do in remembrance of me"* when he instituted the Lord's supper and demonstrated that his people should follow this example. The 2 emblems in the Lord's supper should bring to mind the tremendous sacrifice that Jesus made for our sins. As we eat the bread, we remember the body of Christ, which was given for us. And as we drink the cup, we remember the blood of the covenant, which was shed for the remission of our sins. There are 4 views in partaking of the Lord's supper:

Backward - As we partake of the Lord's supper, we look back to the death of Jesus on the cross of Calvary. All the suffering and pain he endured is brought to remembrance as we ponder the 2 emblems in the Lord's supper. Our minds should flood with the images that the gospel accounts describes of the arrest, the trials, the beatings, the vicious words and Jesus being nailed to the cross.

Inward - We are to look into our own hearts as we partake, so that we do it in a worthy manner. 1Cor.11:28, *"Let a person examine himself, then, and so eat of the bread and drink of the cup."* If we fail to look inwardly and partake in a worthy manner we are warned, *"Whoever, therefore, eats the bread or drinks the cup of the Lord in an unworthy manner will be guilty concerning the body and blood of the Lord."* 1Cor.11:27.

Outward - We also look outwardly in partaking of the Lord's supper. 1Cor.11:26, *"For as often as ye eat this bread, and drink the cup, ye proclaim the Lord's death till he come."* The flavor of this word "proclaim" is seen in the definition: "to announce, declare, promulgate, make known, to proclaim publicly, publish." Each Sunday when Christians partake of the Lord's supper, we are proclaiming to the world that a Savior has died for humanity.

Forward - We also look forward to the return of the Lord Jesus Christ. 1Cor.11:26, *"For as often as ye eat this bread, and drink the cup, ye proclaim the Lord's death till he come."* Christians will faithfully continue this memorial until the 2nd Coming of our Lord Jesus Christ. Whether the Lord's return is this month or 100 years from now, the faithful saints will continue to look for the coming of the Savior back to this world. The Lord's supper affirms our faith in this promise. What a privilege it is to share in the body and blood of the Lord every first day of the week, in this wonderful memorial called the Lord's supper. Let us contemplate these 4 views that Paul speaks about in 1Cor.11 on his discussion of the proper observance of the Lord's supper.

We invite you to worship with us at the Providence church of Christ. 758-8524

Rockcastle County High School students Rebekah Ponder, left, and Madisan Miller have been named 2012 Rogers Scholars.

Two RCHS students are Rogers Scholars

Rockcastle County High School students Rebekah Ponder and Madisan Miller have been named 2012 Rogers Scholars and will be eligible to receive exclusive scholarship opportunities from 16 colleges and universities.

The students were selected by The Center for Rural Development to build their leadership and entrepreneurial skills as the region's next generation of leaders and entrepreneurs at this summer's Rogers Scholars program.

Rogers Scholars, an intensive one-week summer youth leadership program, brings together rising high school juniors from across Southern and Eastern Kentucky for a one-of-a-kind experience that past participants often describe as "life changing."

"The Center believes in giving young people in our region a chance to receive leadership and scholarship opportunities so they can seize their potential and become effective, skilled leaders," Lonnie Lawson, president and CEO of The Center, said. "It is our goal that many of these students will return to Southern and Eastern Kentucky to build their careers and transform this region for years to come."

Rogers Scholars—The Center's flagship youth program—was built on a mission started by U.S. Congressman Harold "Hal" Rogers (KY-05) that "no young person should have to leave home to find his or her future."

Now in its 15th year, the Rogers Scholars program is planned, coordinated, and supervised entirely by The Center and its staff. Most activities take place on the grounds of The Center in Somerset and other sites in the Lake Cumberland region.

"We are looking forward to meeting the 2012 Class of Rogers Scholars and working with each participant to develop his or her skills as the region's future leaders and entrepreneurs," Delaney Stephens, youth programs coordinator and community liaison for The Center, said.

"The Rogers Scholars program emphasizes the development of technological skills and builds in participants a sense of leadership,

an entrepreneurial spirit, and a commitment to rural Kentucky," Stephens added.

The first group of Scholars will be at The Center June 24-29 for the opening week session. The final summer session is planned for July 8-13.

During the program, Scholars get to meet and hear presentations from some of the region's top business leaders and entrepreneurs; complete a community service project; and receive professional, hands-on instruction from leading experts in one of three top in-demand careers: healthcare, engineering, and video production.

Students apply for the Rogers Scholars program during their sophomore year and attend the summer prior to the start of their junior year.

Since 1998, approximately 806 high school students have graduated from Rogers Scholars. College scholarships valued at more than \$7.5 million are available to program graduates.

The program, which is supported solely through financial contributions, fundraising events, and program sponsors, is provided free of charge to participants and their families.

Ponder is the daughter of Marvin K. and Judy Ponder of Mt. Vernon. Miller is the daughter of Danny and Tammy Miller of Mt. Vernon.

Campbellsville Dean's List

Campbellsville University Vice President for Academic Affairs Dr. Frank Cheatham has announced the academic honors' list for the spring 2012 semester.

Brandon Michael Durham, senior of Mt. Vernon, has been named to Campbellsville University's Dean's List for the spring 2012 semester.

The academic honors' list recognizes students who achieve a grade point average of 3.50 or above for the semester with a course load of at least 12 hours. The spring 2012 academic honors' list includes a total of 460 students, with 272 named to the Dean's List for achieving a grade point average of 3.5-3.99.

Five local students selected as 2012 Rogers Explorers

Five Rockcastle County students have been invited to build their math, science, and technology skills this summer as participants in The Center for Rural Development's 2012 Rogers Explorers youth leadership program.

Rockcastle County Middle School students James Ballinger, Sara Clark, Alex Spragens, and Bradley Taylor and Julianna Singleton, a student at Singleton Home Schools, were selected from 187 applicants from across Southern and Eastern Kentucky to strengthen their academic skills and begin working toward future careers in some of the country's most demanding career fields.

"Rogers Explorers was formed in 2006 as a means to reach more young people within The Center's 42-county primary service area, and to focus on leading students into in-demand careers in our region," said Lonnie Lawson, president and CEO of The Center. "The Center has partnered with four Kentucky colleges and universities to host our Explorer camps on their campuses to give these students hands-on experience in a college environment. By doing so, we help them see the value of higher education and prepare them for success."

This year's sessions of Rogers Explorers will be held on the campuses of Lindsey Wilson College in Columbia, June 3-5; University of the Cumberlands in Williamsburg, June 6-8; Eastern Kentucky University in Richmond, July 18-20; and the newest host site at Morehead State University in Morehead, July 22-24.

Thirty rising ninth-grade students will attend each of the four summer sessions of Rogers Explorers making this the largest class of participants in the history of the program.

"Rogers Explorers gives students a one-of-a-kind learning experience, as we open their eyes to the vast

potential in the plentiful careers in math and science," said Delaney Stephens, youth programs coordinator and community liaison for The Center. "They will also develop a lifelong network of friends, and will build essential skills that will help them become the region's next generation of leaders."

As Rogers Explorers, participants spend three days and two nights on a college campus, where experts guide them through hands-on assignments, all of which encourage creative thinking and teamwork and build leadership skills. The program is presented tuition-free to participants and hosted in partnership with the University of the Cumberlands, Lindsey Wilson College, Eastern Kentucky University, and Morehead State University.

Campbellsville Honors List

Campbellsville University Vice President for Academic Affairs Dr. Frank Cheatham has announced the academic honors' list for the spring 2012 semester.

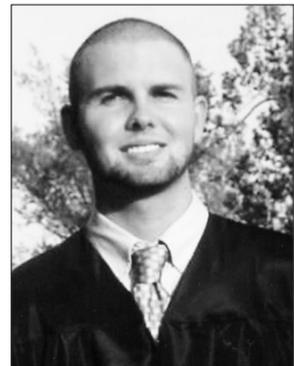

The following students have been named to Campbellsville University's President's List for the spring 2012 semester: Starla Elaine Bond, sophomore and Carri Dolores Hunt, senior, both of Mt. Vernon.

The academic honors' list recognizes students who achieve a grade point average of at least 3.50 or above for the semester with a course load of at least 12 hours. The spring 2012 academic honors' list includes a total of 460 students, with 188 achieving a 4.0 grade point average and having been named to the President's List. Others who have achieved a grade point average of 3.5-3.99 are named to the Dean's List; there are 272 named to that list.

Steven Coty Childress graduated from Eastern Kentucky University on Saturday, May 5, 2012 with a Bachelors of Science degree in Criminal Justice. Coty is the son of Steve and Holly Childress, grandson of Virgil Hopkins, Jr., brother of Tanner Childress and fiancé of Laken Cameron.

We are proud of everything that Coty has accomplished. Congratulations Coty! Mom and Dad.

The family of Amy Poynter is proud to announce her graduation from Western Kentucky University on May 12, 2012. Amy graduated Summa Cum Laude with a Bachelor of Science in Chemistry and a minor in Mathematics. She will be pursuing a PhD in Chemistry at Vanderbilt University in Nashville beginning June 2012. Amy is a 2008 graduate of RCHS where she was named Salutatorian. Amy is the daughter of Larry and Donna Poynter of Mt. Vernon.

Transylvania Dean's List

Rockcastle County High School graduate and Transylvania University senior Holly Brown has been named to the Dean's List for the 2012 winter term.

To be named to the Dean's List, a student must achieve at least a 3.5 grade point average during the

term. Brown, a psychology major and music minor, is the daughter of Michael and Patricia Brown of Brodhead.

Transylvania, founded in 1780, is the nation's sixteenth oldest institution of higher learning and is consistently ranked in national publications as one of the top liberal arts colleges in the country.

Trusted allergy and asthma care that can improve the health and quality of life for you and your loved ones.

New horse stall barn recently constructed at the Red Hill Horse Camp. The camp currently has 50 RV and Tent campsites available to visitors with horse stalls to accommodate all the riders' horses.

One of the visitor's horses being housed in a stall at the Red Hill Horse Camp.

“Ride”
(Cont. from front page)

a three bedroom/three bath cabin to rent out to visitors.

“It can be for horse people or just for people who are looking for a weekend getaway,” Philbeck said. “That would be neat to have here at the camp.” Philbeck said the Red Hill Horse Camp has also

helped in making Rockcastle County known to the horse industry as a horse place.

“You can go to horse camps in other states and tell them you are from Rockcastle County and they will know about our county and horse camp here,” he said.

Philbeck currently runs the camp with his wife Roslind and their family. Philbeck said he is excited about the future of the camp and is looking forward to the annual 100 mile ride this year.

“I have already received many calls about reservations from a lot of people,” Philbeck said “We are anticipating a huge turnout so this ride should be a good one.”

“Leaving”
(Cont. from front page)

amount for occupational tax. In the contract between RCIDA and the company, SourceHOV agreed to pay the tax for 200 employees from August of last year, regardless of the number of employees they had.

Hopkins said she had been told, by court clerk Patricia Martin, that the company was fulfilling this obligation but Clontz held firm that they were not and Hopkins agreed to communicate with the company about the discrepancy.

Hopkins told the court that Anchor Packaging was “overjoyed” with the progress of the clean-up of the Plasticware building and that Anchor is in the process of getting the machinery up and running.

The executive director said that a grand opening, with tours of the facility, was tentatively scheduled for June 26th, in conjunction with state officials.

Over 500 applications have been received at the adult learning center for positions with Anchor, which has helped give the center a Star Facility designation because of the KEES testing that is being done for potential employees, Hopkins said.

Hopkins told the board that she was “super excited” about a marketing trip to Boston, Mass. June 11-15 which will give her a chance to meet with manufacturers, particularly in the auto and tool and die industry.

A ribbon-cutting ceremony is also being planned for Weltrans, Inc. which is in the process of completing their facility, getting signage installed, etc. No date has been set for the ceremony.

A transfer station at the industrial park on Hwy. 150 was also discussed with Hopkins telling the board that it would be an “incredible selling point” for the park if an area could be developed for semis to load and unload materials from trains on the spur that runs through the park. The cost of the station was estimated at between \$100-\$150,000.

Youth Tennis lessons

Youth tennis lessons will be held Saturday, June 16, at the Mt. Vernon City Park tennis courts (on Williams Street).

The schedule is as follows: 8 - 8:45 a.m. 6, 7, and 8 year olds and 9 - 9:45 a.m. 9, 10, 11, 12 year olds.

Limit 6 per age group, first-come, first-served. Please pre-register by emailing Dwain Harris at dwain42728@yahoo.com. Please send participant's name, name of parent/s, age of participant and contact info, including address and phone number.

There is no charge, and those who participate will receive a free tennis racket and one can of tennis balls, while supplies last. This program is made possible through a Rockcastle Healthy Communities grant. Phone 606-875-7158 for more information.

“Projects” Longest Day of Play is June 20th
(Cont. from front page)

project and there will not be other funds allocated until, at least, the 2013 budget.

The widening of the interstate south is included on the plan for the year 2015 with \$1,380,000,000 in funding designated SP (state construction “not” available).

The cover letter from the Transportation Cabinet, detailing the plan, notes “It is necessary to note that the annual funding expectations for this edition of the Highway Plan have been roughly balanced against projects scheduled for that year for every category, except the State Construction Program (SP). As a result of executive and legislative branch decisions, dating back to the year 2000, the SP account has not been fiscally balanced for the past six editions of the highway plan.”

The letter, over the signature of Michael W. Hancock, Secretary, Department of Transportation, goes on to note, “Our efforts to also factor inflation into the costs of projects throughout the 2012 Highway Plan have now yielded an SP account that contains over \$1.95 billion more in projects than funding exists to finance. In truth, the inclusion of SP accounts projects essentially provides a “15 to 20-Year Plan” rather than a “Six-Year-Plan” for state-funded highway projects.”

The last project for Rockcastle, included in the plan, also has an SP designation and concerns a landslide repair on Ky 1329 from Luner Road at the Laurel County Line, northeast to Jct. U.S. 25.

The plan shows \$120,000 for the purchase of right-of-way and utility relocation and \$870,000 in 2013 for construction.

The Longest Day of Play and Community Health Fair will be held on June 20th from 4:00-8:00 p.m., at the Rockcastle County Middle School. The event is free of charge.

Outdoors, play stations will be set up with fun activities for all ages. Indoors, the Community Health Fair booths will be set up by local health agencies. You can have your blood pressure, weight, and BMI checked.

Rockcastle Regional Hospital is sponsoring a family fun relay race, the fastest kid in town and a 1-2 or 3 mile run/walk. These races will be located at the track from 5-7. The admissions to these races are 3 cans of food. The food will go to benefit the Christian Appalachian Project Grateful Bread food pantry.

In addition, KY Blood Center will be conducting a community blood drive. Bittersweet Cloggers will be performing and Eric Bullock with the Rockcastle Shaolin Do will do a Karate Exhibition.

Most importantly, Bro. Jeremy Ellis from Bible Baptist is leading a Youth Church Service at 7:00. The event is on a Wednesday evening, we don't want you to miss mid-week church services, so bring your church youth groups to our event.

The Longest Day of Play and Community Health Fair is an annual event sponsored by Rockcastle Healthy Communities.

For more information, please call W. Anne Harris at 606-256-7891 or Nancy Keber at 606-256-2242.

ABSOLUTE Auction

Three Absolute Auctions
Saturday, June 16, 2012

Laurel and Rockcastle Counties
ABSOLUTE AUCTION #1
Approximately 16.46 Acres
June 16, 2012 - 10:00 a.m.
513 Little Laurel Road, London, KY

ABSOLUTE AUCTION #2
Brick House and 1.1 +/- Acre Lot
June 16, 2012 - 12:00 noon
5240 Keavy Road / Highway 363, London, KY

* For complete details on Auctions 1 and 2, visit our website at www.fordbrothersinc.com

ABSOLUTE AUCTION #3
Approximately 63 Acres
June 16, 2012 - 2:30 p.m.
Marler Hollow Road, Mt Vernon, KY

Directions: From the intersection of Highways 150 and 25 in Mt Vernon, KY turn onto Highway 1249/ Sand Springs Road and go 2.3 miles. Turn left onto Sowder School Road and go 1/2 mile. Turn right onto Marler Hollow Road and go about 1 1/4 miles. Turn right on a lane to a cemetery and continue past the cemetery to the property. Auction signs are posted.

Description: This property is mostly wooded land and very private yet just a short drive from Mt Vernon. It would be ideal for a private home setting or recreational property. The property is selling by the boundary description with the acreage estimated.

Terms: 20% down day of auction, balance due in full within 30 days.

Auctioneer/Broker/Seller Disclaimer: The information contained herein is believed to be correct to the best of the auctioneer's knowledge. The information is being furnished for the bidder's convenience and it is the responsibility of the bidder to determine the information contained herein is accurate and complete. The property is being sold in its "as is" condition.

Announcements day of auction take precedence over printed matter. For additional information, contact the selling agents:

News from the Rockcastle Courthouse

Circuit Civil Suits

No tax.

Brenda K. Miller, property on Quail Landing Subdv., to Gregory K. Watson. Tax \$125.

Dan and Ruby Epperson, property in Mt. Vernon, to Ruby Epperson, Jeffrey WW. Saylor and Ted Neal Saylor. Tax \$15.50.

District Civil Suits

District Court

May 30, 2012

Hon. Kathryn G. Wood

Nathaniel J. Brassfield: speeding, \$30 fine and costs; failure to produce insurance card, \$50 fine; failure to wear seat belts, \$25 fine.

Speeding: Justin S. Cameron, \$28 fine and costs; Robert D. Doss, Lisa M. Drake, Nathan R. Parks, Jason L. Robinson, Zachary N. Wynn, Zachary B. Martin, license suspended for fta; Linda L. Clark, \$46 fine and costs/sts authorized; Donovan W. Dykes, \$32 fine and costs;

Christina Lynn Williams: fines/fees due (\$263), bw issued for fta/6 days in jail or payment.

Tammy Lee Floyd: prostitution and operating on suspended/revoked operators license, bw issued for fta.

Daniel J. Hunsucker: fines/fees due (\$168), bw issued for fta/4 days in jail or payment in full.

Deslan S. Hurley: alcohol intoxication in public place, bw issued for fta.

Michael L. Klein, Jr: speeding and failure to produce insurance card, license suspended for fta.

Christopher Nathan Lundy: operating on suspended/revoked operators license, \$100 fine; failure of owner to maintain required insurance, \$500 fine; no/expired registration plates; no/expired Kentucky registration receipt, \$25 fine and costs.

Laurie Mudd: fines/fees due (\$233), bw issued for fta/5 days or payment in full.

Kent B. Campbell: part 395/Fed Safety Regs - Hours of Service for Drivers, bench warrant (bw) issued for failure to appear (fta).

Regina R. Chasteen: fines/fees due (\$158), bw issued for fta/4 days in jail or payment in full.

Michael T. Cunagin: fines/fees due (\$318), bw issued for fta/7 days in jail or payment in full.

Vernon E. Denny: failure of owner to maintain required insurance, \$1,000 fine/suspend \$750 on condition; operating on suspended/revoked operators license, \$100 fine and costs.

Bradley Napier: fines/fees due (\$158), bw issued for fta/4 days in jail or payment.

Andrew E. Steele: speeding and excessive windshield/window tinting, license suspended for fta.

Marriage Licenses

Jessica McWhorter, 29, Mt. Vernon, Tobacco Barn to Robert Himes, 22, Mt. Vernon, NACCO. 5/25/12
 Sherri Lee Halcomb, 46, Mt. Vernon, nursing to Gary Dennis Kirby, 56, Mt. Vernon, disabled. 5/25/12
 Jessica Rose Kirby, 22, Indianapolis, Ind., student to Donald Anthony Simmons, 37, Indianapolis, Ind., mechanic. 5/31/12

Deeds Recorded

Pauline Doolin, property on Clyde Barnett Road, to Patricia A. Farrell. No tax
 Debra Barnett, property in Benton Bullock Subdv., to Don Ricardo Barnett. No tax
 Victoria and Keith Cromer, property in Rockcastle County, to Katerina and David Phillips. Tax \$66
 Barbara Collins, property on Piney Branch Creek, to Jesse Dean Mason. No tax.
 Jerry J. and Vicki C. Cox, property in Ottawa, to Matthew Dane Cox. No tax
 Martha Robbins, property in Mt. Vernon, to Norma J. Nicely. Tax \$120.
 Alfred and Vivian Cummins, property in Mt. Vernon, to Anthony Douglas Prewitt. Tax \$48.50.
 Emma Gray, property in Rockcastle County, to Susan Gray and Chet Greer.

Volunteers Needed for River Sweep 2012

Volunteers are being sought for the annual River Sweep 2012 on Saturday, June 16th.

The event will be held from 9 a.m. to 1 p.m. and volunteers will meet at the sewer plant in Livingston and will be cleaning up rivers and streams and should be prepared to get wet and muddy. Concentration will be on tires and trash that are in the Rockcastle River and along its bank. If you have a small boat or canoe please bring it, it might be useful to haul trash and/or tires to a point where the riverbank can be accessed by a truck to haul off everything that gets picked up.

The event is being sponsored by the Rockcastle County Fiscal Court, in conjunction with the Kentucky River Authority.

For more information or to volunteer, call the Rockcastle County Solid Waste Office at 606-256-1902.

Notice

Brodhead Water Works Consumer Confidence Report will not be mailed and will only be published in the Mount Vernon Signal. If any customer would like a copy of this report you can get it at the City Hall, 7 West Main, Brodhead, Kentucky.

Brodhead Water Works Water Quality Report for year 2011

KY1020889

PO Box 556
 Brodhead, Kentucky 40409
 Meetings: Brodhead City Hall
 Meeting Dates and Time: Second Monday of each month 7:00 PM

Manager: Roger Bray
 Phone: 606-758-8635
 CCR Contact: Roger Bray
 Phone: 606-758-8635

This report is designed to inform the public about the quality of water and services provided on a daily basis. Our commitment is to provide our customers with a safe, clean, and reliable supply of drinking water. We want to assure that we will continue to monitor, improve, and protect the water system and deliver a high quality product. Water is the most indispensable product in every home and we ask everyone to be conservative and help us in our efforts to protect the water source and the water system.

Our water is purchased from Mt. Vernon Water Works, that is located at Renfro Valley, Kentucky. Our supplier treats surface water from Lake Linville. The source water assessment has been performed to identify land uses which may impact the water supply. This assessment indicates that the susceptibility of the Mt. Vernon water supply to contamination is generally moderate. Contaminants present in source water may include microbial contamination, pesticides, and herbicides, organic chemical contaminants, and radioactive contaminants. The primary source of contamination are agriculture, onsite septic systems, and roadways. Activities and land uses upstream of this water can pose potential risks to your drinking water. The complete source water assessment can be reviewed at Mt. Vernon Water Works. The Brodhead Water Works routinely monitors for contaminants in your drinking water according to Federal and State Laws. The table enclosed is results of our Monitoring for the period of January 1 through December 31, 2010, it can be obtained at Brodhead City Hall, 7 West Main Street, Brodhead, Kentucky.

Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. The presence of contaminants does not necessarily indicate that water poses a health risk. More information about contaminants and potential health effects may be obtained by calling the Environmental Protection Agency's Safe Drinking Water Hotline (800-426-4791).

The sources of drinking water (both tap water and bottled water) include rivers, lakes, streams, ponds, reservoirs, springs, and wells. As water travels over the surface of the land or through the ground, it dissolves naturally occurring minerals and, in some cases, radioactive material, and may pick up substances resulting from the presence of animals or from human activity. Contaminants that may be present in source water include: Microbial contaminants, such as viruses and bacteria, (sewage plants, septic systems, livestock operations, or wildlife). Inorganic contaminants, such as salts and metals, (naturally occurring or from stormwater runoff, wastewater discharges, oil and gas production, mining, or farming). Pesticides and herbicides, (stormwater runoff, agriculture or residential uses). Organic chemical contaminants, including synthetic and volatile organic chemicals, (by-products of industrial processes and petroleum production, or from gas stations, stormwater runoff, or septic systems). Radioactive contaminants, (naturally occurring or from oil and gas production or mining activities).

In order to ensure that tap water is safe to drink, EPA prescribes regulations that limit the amount of certain contaminants in water provided by public water systems. FDA regulations establish limits for contaminants in bottled water to provide the same protection for public health.

Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by Cryptosporidium and other microbial contaminants are available from the Safe Drinking Water Hotline (800-426-4791).

Some or all of these definitions may be found in this report:

Maximum Contaminant Level (MCL) - the highest level of a contaminant that is allowed in drinking water. MCLs are set as close to the MCLGs as feasible using the best available treatment technology.
Maximum Contaminant Level Goal (MCLG) - the level of a contaminant in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.
Maximum Residual Disinfectant Level (MRDL) - the highest level of a disinfectant allowed in drinking water. There is convincing evidence that addition of a disinfectant is necessary for control of microbial contaminants.
Maximum Residual Disinfectant Level Goal (MRDLG) - the level of a drinking water disinfectant below which there is no known or expected risk to health. MRDLGs do not reflect the benefits of the use of disinfectants to control microbial contaminants.
Below Detection Levels (BDL) - laboratory analysis indicates that the contaminant is not present.
Not Applicable (N/A) - does not apply.
Parts per million (ppm) - or milligrams per liter, (mg/l). One part per million corresponds to one minute in two years or a single penny in \$10,000.
Parts per billion (ppb) - or micrograms per liter, (µg/L). One part per billion corresponds to one minute in 2,000 years, or a single penny in \$10,000,000.
Parts per trillion (ppt) - one part per trillion corresponds to one minute in 2,000,000 years, or a single penny in \$10,000,000,000.
Parts per quadrillion (ppq) - one part per quadrillion corresponds to one minute in 2,000,000,000 years or one penny in \$10,000,000,000,000.
Picocuries per liter (pCi/L) - a measure of the radioactivity in water.
Millirems per year (mrem/yr) - measure of radiation absorbed by the body.
Million Fibers per Liter (MFL) - a measure of the presence of asbestos fibers that are longer than 10 micrometers.
Nephelometric Turbidity Unit (NTU) - a measure of the clarity of water. Turbidity has no health effects. However, turbidity can provide a medium for microbial growth. Turbidity is monitored because it is a good indicator of the effectiveness of the filtration system.
Variance & Exemptions (V&E) - State or EPA permission not to meet an MCL or a treatment technique under certain conditions.
Action Level (AL) - the concentration of a contaminant which, if exceeded, triggers treatment or other requirements that a water system shall follow.
Treatment Technique (TT) - a required process intended to reduce the level of a contaminant in drinking water.

Information About Lead:

If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing. Your local public water system is responsible for providing high quality drinking water, but cannot control the variety of materials used in plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing your tap for 30 seconds to 2 minutes before using water for drinking or cooking. If you are concerned about lead in your water, you may wish to have your water tested. Information on lead in drinking water, testing methods, and steps you can take to minimize exposure is available from the Safe Drinking Water Hotline or at <http://www.epa.gov/safewater/lead>.

Spanish (Español) Este informe contiene información muy importante sobre la calidad de su agua beber. Tradúzcalo o hable con alguien que lo entienda bien.

The data presented in this report are from the most recent testing done in accordance with administrative regulations in 401 KAR Chapter 8. As authorized and approved by EPA, the State has reduced monitoring requirements for certain contaminants to less often than once per year because the concentrations of these contaminants are not expected to vary significantly from year to year. Some of the data in this table, though representative, may be more than one year old. Unless otherwise noted, the report level is the highest level detected.

	Allowable Levels	Highest Single Measurement	Lowest Monthly %	Violation	Likely Source		
Turbidity (NTU) TT * Representative samples of filtered water	No more than 1 NTU* Less than 0.3 NTU in 95% of monthly samples	0.421	99	No	Soil runoff		
Regulated Contaminant Test Results							
Contaminant [code] (units)	MCL	MCLG	Report Level	Range of Detection	Date of Sample	Violation	Likely Source of Contamination
Combined radium (pCi/L)	5	0	2.4	2.4 to 2.4	Oct-10	No	Erosion of natural deposits
Uranium (µg/L)	30	0	2.2	2.2 to 2.2	Oct-10	No	Erosion of natural deposits
Barium [1010] (ppm)	2	2	0.02	0.02 to 0.02	Jan-10	No	Drilling wastes; metal refineries; erosion of natural deposits
Copper [1022] (ppm) sites exceeding action level 0	AL = 1.3	1.3	0.843 (90 th percentile)	0.014 to 1.34	Sep-11	No	Corrosion of household plumbing systems
Fluoride [1025] (ppm)	4	4	0.98	0.4 to 0.78	Oct-11	No	Water additive which promotes strong teeth
Lead [1030] (ppb) sites exceeding action level 0	AL = 15	0	5 (90 th percentile)	0 to 5	Sep-11	No	Corrosion of household plumbing systems
Nitrate [1040] (ppm)	10	10	0.6	0.6 to 0.6	Jan-11	No	Runoff from fertilizer use; leaching from septic tanks, sewage; erosion of natural deposits
Disinfectants/Disinfection Byproducts and Precursors							
Total Organic Carbon (ppm) (measured as ppm, but reported as a ratio)	TT*	N/A	1.09 (lowest average)	-0.33 to 2.86 (monthly ratios)	N/A	No	Naturally present in environment.
*Monthly ratio is the % TOC removal achieved to the % TOC removal required. Annual average of the monthly ratios must be 1.00 or greater for compliance.							
Chlorine (ppm)	MRDL = 4	MRDLG = 4	1.57 (highest average)	1.03 to 1.81	N/A	No	Water additive used to control microbes.
HAA (ppb) (all sites) [Haloacetic acids]	60	N/A	49 (system average)	29 to 63 (range of system sites)	N/A	No	Byproduct of drinking water disinfection
HAA (ppb) (IDSE) [Haloacetic acids]	IDSE (individual distribution system evaluation) is a study to determine future individual sites.			34 to 97 (range of individual sites)	IDSE initiated	No	Byproduct of drinking water disinfection
HAA (ppb) [Haloacetic acids] (Individual Sites)	60	N/A	49 (locational average)	29 to 62 (range of individual sites)	N/A	No	Byproduct of drinking water disinfection
TTHM (ppb) (IDSE) [total trihalomethanes]	IDSE (individual distribution system evaluation) is a study to determine future individual sites.			27 to 145 (range of individual sites)	IDSE initiated	No	Byproduct of drinking water disinfection
TTHM (ppb) (all sites) [total trihalomethanes]	80	N/A	35 (system average)	20 to 56 (range of system sites)	N/A	No	Byproduct of drinking water disinfection
TTHM (ppb) [total trihalomethanes] (Individual Sites)	80	N/A	59.25 (locational average)	37 to 98 (range of individual sites)	N/A	No	Byproduct of drinking water disinfection.

Mt. Vernon Water that we purchase water from had one Notice of Violation (NOV). The NOV occurred when Mt. Vernon failed to submit the Alkalinity sample date to the Division of Water (DOW) in June 2011. Alkalinity is needed to calculate the treatment technique for total organic carbon (TOC) removal. TOC does not put the public in any danger. If they was a danger, Mt. Vernon Water would have notified the public when the violation occurred and Brodhead Water Works had to also notify their customer also. This was an oversight, Mt. Vernon has made adjustments sending reports into DOW, so this matter will not happen again.

Secondary contaminants do not have a direct impact on the health of consumers and are not required in the Consumer Confidence Report. They are being included to provide additional information about the quality of the water.

Secondary Contaminant	Maximum Allowable Level	Report Level	Range of Detection	Date of Sample
Aluminum	0.05 to 0.2 mg/l	0.05	0.04 to 0.05	Jan-10
Chloride	250 mg/l	21.9	21.9 to 21.9	Jan-11
Corrosivity	Noncorrosive	-1.17	N/A	Jan-11
Fluoride	2.0 mg/l	0.9	0.9 to 0.9	Jan-11
Iron	0.3 mg/l	0.01	0.01 to 0.01	Jan-11
Manganese	0.05 mg/l	0.04	0.04 to 0.04	Jan-11
pH	6.5 to 8.5	7	7 to 7	Jan-11
Sulfate	250 mg/l	10	10 to 10	Jan-11
Total Dissolved Solids	500 mg/l	189	189 to 189	Jan-11

Sodium	optimum level =20 mg/L	8.9	7.9 to 8.9	Apr-11
--------	------------------------	-----	------------	--------

RCHS basketball standout Angie Lawrence, center, has transferred from Georgetown College to Coker College in South Carolina.

Lawrence transfers to Coker College in S.C.

Angie Lawrence, a 2011 graduate of Rockcastle County High School and the starting point guard on the 2011 state championship girls basketball team, will be playing for the Coker College Cobras this fall.

Lawrence, a 5'5" point guard is transferring from Georgetown College. As a freshman, Lawrence played in 20 games for the Tigers, averaging 6.5 points and just under two assists per game. Georgetown made it to the NAIA Division I women's national championship game where Lawrence was named first team all-tournament.

"Angie will make an immediate impact on our program," said Coker College women's basketball coach Jenny Finora. "She brings experience, scoring and knowledge to our team. Her basketball IQ is very high, and she is constantly working to improve her skill set. We are very excited to get her here."

Lawrence is the daughter of Teddy and Marcy Lawrence of Brodhead.

Coker College is an NCAA Division II school located in Hartsville, S.C. It is currently in the Conference of the Carolinas but will join the South Atlantic Conference beginning with the 2013-14 season.

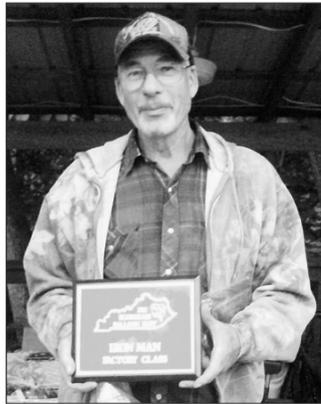

Local shooter wins top honors in gun club contest

A local shooter, Lee Bullock of Mt. Vernon, was a big winner at the "Bluegrass Balloon Bust," held recently at the Buck Creek Gun Club in Pulaski County.

This was the 11th year for the event which is organized by George Coleman of Mt. Vernon.

The competition consists of three classes of rifle competition at ranges of 400, 300 and 200 yards. The targets are small water filled balloons which "blow up" when struck by a bullet and makes for a fun target.

Bullock "busted" all 10 balloons in all three classes. Several other shooters also cleaned all their balloons and this necessitated shoot offs. Lee won the 300 yard competition, out shooting the other competitors in a shoot off tie breaker. He also finished second at 200 yards in the factory class round, missing first place by the diameter of a bullet.

Lee Bullock is the "Factory Class Iron Man".

He was awarded the trophy for "Factory Class Iron Man," the shooter who posts the best overall scores at all three yardages, using a factory mass produced unaltered rifle.

Bullock was using a Savage Arms F Class bolt action rifle in caliber 6BR, equipped with a 36X Leopold scope.

NOTICE OF SALE

Pursuant to a judgment and order of sale entered in this action on April 30, 2012 for the purpose of satisfying the judgment against the defendant in the amount of TWENTY THOUSAND FIVE HUNDRED FORTY FOUR DOLLARS AND 71/100 (\$20,544.71) plus interest, costs and attorney fees. I will offer at public auction the hereinafter described real property in Rockcastle County, Kentucky.

**At the Courthouse on East Main Street
Mt. Vernon, Kentucky
on Friday, June 15, 2012
Beginning at the Hour of 11:30 a.m.**

Said property being more particularly bounded and described as follows:

80 Davis Street, Mt. Vernon, KY 40456

Beginning at a point in property line of L & N Railroad Company and Brown and Snodgrass, said point being North right of way of alley; thence N 60 degrees 00' E 101.5' to stake in said right of way; thence N 30 degrees 00' W 50 feet to a stake; thence N 60 degrees 00' W 102.5' to a stake in property line S 28 degrees 52' E 50.2' to the point of beginning, containing .117 (one hundred seventeen thousandths) acre more or less.

The above described real property is improved with a 1981 Newmar mobile/manufactured home.

Subject to all restrictions, conditions and covenants and to all legal highways and easements.

Being the same property conveyed to Vernie Decker and wife Novera Decker by deed dated January 22, 1993 and recorded in Deed Book 149, Page 9 in the Office of the Rockcastle County Clerk.

The property shall be sold on the following terms & conditions:

1. The real property shall be sold for cash or upon a credit of thirty (30) days with the purchaser required to pay a minimum of ten percent (10%) of the purchase price in cash on the date of sale and to secure the balance with a bond approved by the Master Commissioner.
2. The bond shall bear interest at the rate of twelve percent (12%) per annum until paid in full. The bond shall have the force and effect of a judgment and shall be and remain a lien upon the property sold as additional surety for the payment of the purchase price.
3. The purchaser shall pay the 2012 local, county and state property taxes and further any delinquent state, county and/or city real estate taxes sold pursuant to the provisions of KRS 134 to any private purchaser during the pendency of this action.
4. Unpaid delinquent state, county and/or city ad valorem real estate taxes owed to those government entities and not sold pursuant to the provisions of KRS 134 of record at the time of entry of judgement shall be paid out of the proceeds of the sale.
5. Full satisfaction of the plaintiff's judgment shall be paid from the proceeds of the sale.
6. The purchaser shall have possession of the real property upon compliance with the terms of the sale.
7. In the event that the plaintiff is the successful bidder and the sale price does not exceed the amount of the plaintiff's judgment, no deposit or bond shall be required.
8. The sale shall be made subject to all easements, set back lines, restrictions or covenants of record or otherwise and shall be sold "as is".

NOTICE OF SALE

Pursuant to a judgment and order of sale entered in this action on May 11, 2012 for the purpose of satisfying the judgment against the defendants in the amount of SIXTY ONE THOUSAND SEVEN HUNDRED NINETY SEVEN DOLLARS AND 90/100 (\$61,797.90) plus interest, costs and attorney fees. I will offer at public auction the hereinafter described real property in Rockcastle County, Kentucky.

**At the Courthouse on East Main Street
Mt. Vernon, Kentucky
on Friday, June 15, 2012
Beginning at the Hour of 11:30 a.m.**

Said property being more particularly bounded and described as follows:

Tract No. 1 - Beginning at the County Road at a gum and maple pointers; now a stone; thence a west course a straight line to Brush Creek; thence a south course with said course with said creek to a stone; then an east course a straight line to a maple at the county road, now a stone; then northeast with the road a stake, Jim Thompson's corner, now Willie Rogers; thence a west course with his line to a stake corner at the county road; then a northwest course with the county road to the beginning, the above boundary containing about 49 acres.

There is EXCEPTED from Tract No. 1 approximately 3 acres, more or less which was deeded to Willie Rogers, formerly deeded to Steve Cash.

There is further EXCEPTED from Tract No. 1, 1.18 acres more or less which was conveyed to Edward Brown, et ux., by deed dated April 26, 1943, of record in Deed Book 61, Page 164.

Tract No. 2 - Beginning at a nail in the center of the county road with a white oak pointer on S 75 W 12 feet; thence S 50 1/2 W 82 poles to a corner of Homer Cash, W. Brown and Milton Brown; thence N 44 W 5 poles and 21 links to a stone, J.W. Brown and Milton Brown's established corner; thence S 44 E 5 poles and 21 links to the beginning, containing 3 acres, by survey.

Being the same property conveyed to Mortgagor by Master Commissioner's deed dated May 2, 2002 of record in Deed Book 189, Page 607, in the Rockcastle County Clerk's office.

The property shall be sold on the following terms & conditions:

1. The real property shall be sold for cash or upon a credit of thirty (30) days with the purchaser required to pay a minimum of twenty percent (20%) of the purchase price in cash on the date of sale and to secure the balance with a bond approved by the Master Commissioner.
2. The bond shall bear interest at the rate of twelve percent (12%) per annum until paid in full. The bond shall have the force and effect of a judgment and shall be and remain a lien upon the property sold as additional surety for the payment of the purchase price.
3. Unpaid taxes of record at the time of entry of judgment shall be paid out of the proceeds of the sale.
4. The purchaser shall pay the 2012 local, county and state property taxes.
5. Full satisfaction of the plaintiff's judgment shall be paid from the proceeds of the sale.
6. The purchaser shall have possession of the real property upon compliance with the terms of the sale.
7. The successful bidder shall, at their own expense, carry fire and extended insurance coverage on any improvements from the date of sale until the purchase price is paid in full, to the extent of the court-appraised value of such improvements or the unpaid balance of the purchase price, whichever is less, with the loss payable clause to the Rockcastle Master Commissioner.
8. In the event that the plaintiff is the successful bidder and the sale price does not exceed the amount of the plaintiff's judgment, no deposit or bond shall be required.
9. The sale shall be made subject to all easements, set back lines, restrictions or covenants of record or otherwise and shall be sold "as is".

I will offer at public auction the hereinafter described real property in Rockcastle County, Kentucky.

**At the Courthouse on East Main Street
Mt. Vernon, Kentucky
on Friday, June 15, 2012
Beginning at the Hour of 11:30 a.m.**

Said property being more particularly bounded and described as follows:

Marlow Hollow Road, Mt. Vernon, Rockcastle County, Kentucky

Beginning at a railroad spike in the center of the Marlow Hollow Road and being a corner to Jake Wagers; thence going with the center of said road the following calls: S 39 degrees 30' 00" E, 75 feet; S 67 degrees 00' 00" E, 191.00 feet; S 78 30' 00" E, 86.00 feet to a P.K. nail in the center of said road and a corner to Carlos McClure; thence leaving the center of said road and going with the line of McClure N 37 11' 41" E, 585.85 feet to a 1/2" conduit with plastic cap stamped RLS #2773 in the line of Bullock Brothers and a corner to McClure; thence going with the Bullock Brothers line N 31 00' 00" W, 25.00 feet; thence N 51 00' 00" W, 259.00 feet; N 53 00' 00" W, 50 feet to a stake in the line of Bullock Brothers and a corner to Jake Wagers S 37 00' 00" W, 670.00 feet to the point of beginning and containing 5.01 acres.

Being the same property conveyed to Clinnie Cecil McCracken by deed dated August 2, 2005, of record in Deed Book 206, Page 200, in the Rockcastle County Clerk's office.

The property shall be sold on the following terms & conditions:

1. The real property shall be sold for cash or upon a credit of sixty (60) days with the purchaser required to pay a minimum of ten percent (10%) of the purchase price in cash on the date of sale and to secure the balance with a bond approved by the Master Commissioner.
2. The bond shall bear interest at the rate of twelve percent (12%) per annum until paid in full. The bond shall have the force and effect of a judgment and shall be and remain a lien upon the property sold as additional surety for the payment of the purchase price.
3. Unpaid taxes of record at the time of entry of judgment shall be paid out of the proceeds of the sale.
4. The purchaser shall pay the 2011 local, county and state property taxes.
5. Full satisfaction of the plaintiff's judgment shall be paid from the proceeds of the sale.
6. The purchaser shall have possession of the real property upon compliance with the terms of the sale.
7. In the event that the plaintiff is the successful bidder and the sale price does not exceed the amount of the plaintiff's judgment, no deposit or bond shall be required.
8. The sale shall be made subject to all easements, set back lines, restrictions or covenants of record or otherwise and shall be sold "as is".

NOTICE OF PUBLIC HEARING
(Pursuant to 401 KAR 4 & 5, KRS 424 and 40 CFR 25.5 & 25.6)

The City of Mt. Vernon, City Hall, 125 Richmond Street, P.O. Box 1465, Mt. Vernon, Kentucky 40456, has drafted Amendment No. 2 to the Mt. Vernon 201 Facilities Plan (hereinafter the "Plan"), presenting projected requirements and proposed plans for waste water collection (sewers) and treatment (sewer plant) improvements, including estimated costs, within the Mt. Vernon facility planning area to be served, as described therein. A copy of the draft Plan Amendment No. 2 will be maintained available for public review in the Mt. Vernon City Hall during regular business hours. Interested parties may obtain further information, including copies of the draft Plan Amendment No. 2, by contacting Ms. Jeanette Robinson, City Clerk, at the above listed business address, or by e-mail to jrobinson@mtvernonky.org, or by calling (606) 256-3437 between the hours of 9:00 a.m. and 4:00 p.m. on Monday through Friday.

A public hearing will be held on (Wednesday, July 11th, 2012) at (1:30) (PM) local time in the Mt. Vernon City Hall at the above listed address. The purpose of the hearing is to discuss the draft Plan Amendment No. 2 and its contents, specifically the proposed future project alternatives, project costs, financing sources, user charges and hook-up/tap-on fees. The public is encouraged to attend and participate in this hearing and shall have the right to comment on the Plan Amendment No. 2, in writing to the above address, for a period of thirty (30) days from the date of initial publication of this notice or upon termination of the public hearing, whichever is later. A longer comment period may be requested in writing. All persons who believe any condition of the draft Plan Amendment No. 2 is inappropriate, inaccurate, incomplete, or otherwise not in the best interest of the public and the environment must raise all reasonable issues and submit all reasonable arguments, facts and comments with supporting documents to the above listed contact person by the close of the prescribed comment period.

Being the same property conveyed to Roy Raines by deed dated May 5, 2003, of record in Deed Book 194, Page 321, in the Rockcastle County Clerk's office.

The property shall be sold on the following terms & conditions:

- The real property shall be sold for cash or upon a credit of sixty (60) days with the purchaser required to pay a minimum of ten percent (10%) of the purchase price in cash on the date of sale and to secure the balance with a bond approved by the Master Commissioner.
- The bond shall bear interest at the rate of twelve percent (12%) per annum until paid in full. The bond shall have the force and effect of a judgment and shall be and remain a lien upon the property sold as additional surety for the payment of the purchase price.
- Unpaid taxes of record at the time of entry of judgment shall be paid out of the proceeds of the sale.
- The purchaser shall pay the 2011 local, county and state property taxes.
- Full satisfaction of the plaintiff's judgment shall be paid from the proceeds of the sale.
- The purchaser shall have possession of the real property upon compliance with the terms of the sale.
- In the event that the plaintiff is the successful bidder and the sale price does not exceed the amount of the plaintiff's judgment, no deposit or bond shall be required.
- The sale shall be made subject to all easements, set back lines, restrictions or covenants of record or otherwise and shall be sold "as is".

**John D. Ford
Master Commissioner
Rockcastle Circuit Court**

Thinking About Cleaning Your Carpet!

Some things to think about...

What is the best way to clean my carpet, should I use the old technology of steam cleaning or the new technology of dry foam?

Test results from Consumer Report, 2008.

Option 1: Steam Cleaning-How does it work?

A. Steam Cleaners saturate your carpet and floor pad with hot (150° degree) soapy water containing lye and bleach to help dissolve stains.

B. After your carpet reaches its maximum saturation point the solution is then extracted by means of a commercial shop vacuum.

The results: Removes less than 20% of the soil from the carpet driving the remainder down deeper into the carpet fibers. The lye/bleach solution used by steam cleaners to dissolve stains fades carpet colors. Drying time is 1 to 5 days depending on the carpet texture. As a result of the water saturation, carpet fibers harden and the floor pad remains damp, which promotes bacteria growth and mildewing, causing carpet threads to rot, shorting the life of your carpet. Carpet manufacturers recommend that you do not steam clean carpets.

Option 2: Dry Foam-How does it work?

C. Carpet fibers are agitated with carpet combs to separate the fibers loosening dirt particles, which are then dry cleaned with an industrial strength vacuum.

D. The carpet is then shampooed with horse hair brushes using Dry-Foam lather, a solution that contains six different cleaners and fabric softener, color brightener, deodorizer, disinfectant, crystalline agent, scotch guard, & degreaser. Does not contain lye or bleach.

E. Carpet fibers are then groomed to fluff up worn walk areas to give a uniform look to the carpet.

The results: Removes over 90% of carpet soil. Rejuvenates and brightens colors and patterns of carpets. Drying times is less than 2 hours. Floor pads remain dry-Fabric Softener makes carpets soft again-Promoting the life of the carpet.

Carpet manufacturers recommend Dry Foam to clean Carpets.

A one-step meth lab at the meth bust at the Cable residence on Quail Road caught fire while being neutralized by UNITE detectives Thursday. The one-step meth lab had a PH of 14 making it flammable when being neutralized with water.

“Meth”

(Cont. from front page)

containing a small glass jar of meth oil and other meth lab components. Cable also told officers he had other items used in manufacturing meth inside a barn at his parent’s residence.

Upon receiving consent from Marion Cable, Chaz’s mother, to search the barn at her residence, officers found a crate containing two active one-step meth labs and other assorted glass jars inside the crate.

Cable was charged with manufacturing methamphetamine, possession of a controlled substance and drug paraphernalia and op-

erating a motor vehicle under the influence of alcohol/drugs.

Cable remains lodged at the Rockcastle County Detention Center on a \$50,000 cash/property bond.

“Boswell”

(Cont. from front page)

Rockcastle County Detention Center, once officers discovered Boswell was listed as an escaped inmate.

Boswell had previously walked away during work release on March 30th of this year. He was originally arrested for theft by unlawful taking on September 13, 2011 and will now face escape charges and reporting a false name to officers.

“Escapee”

(Cont. from front page)

tober 19th of last year and was serving a two year sentence.

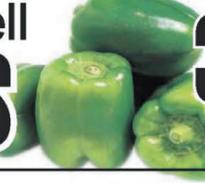

Miller noted that he does not decide who gets to participate in the work-release program. “The State Department of Corrections decides which non-violent inmates may participate,” he said. Any inmate convicted of escape is charged with a Class D Felony and which carries an additional 1-5 year sentence.

Anyone with information about Caldwell’s whereabouts is urged to contact the Rockcastle County Detention Center at 606-256-2178.
