"TELL MY FRIENDS TO BE BRAVE AND FEARLESS AND LOYAL TO THE GREAT COMMON PEOPLE"

LEVEL GREEN

Bro. Todd failing to fill his appointment on Saturday, D. R. Gentry took his place.

Sunday School flourishes here until public schools begin and then they go to sleep. One principal cause of the short life of so many S. S., is lack of interest in them by heads of families, and lack of interest is a result of lack of knowledge of the Bible. While it is a fact that nearly every family in Rockcastle county own one or more Bibles, yet it is a lamentable fact that they "scarcely" ever look on the inside of the book; tho' church members and they engage in sectarian arguments and some of them even claim sanctification. Now, I suggest to all those that can read—and nearly all can—carefully read one chapter every day for a month, and then read it over next month and then tell me if you haven't learnt more Scripture than you ever knew. I have been wonderfully amused to sit and listen to good old church members argue their points and "coat skripters" that can be no where found except in their minds,—for instance: "Every tub stands on its own bottom." "God tempers the wind to the shorn lamb." "Eat drink and be merry for tomorrow you may die." "Woe unto you lawyers and doctors, hypocrites, Rightly dividing the words of truth giving each his portion in due season." "Cleanliness is next to Godliness." "Charity begins at home, &c. &c. Now the cause of so many people falling into these errors, is they depend upon unformed leaders who have learned traditionally, this mode of instruction, accounts too, for so many good, but misguided men votin of the republican ticket, but then I have nothing personally against the republic, but I am sorry to see so many good men misguided, tho' if a sufficient number of them will vote for me in November (and they will) to overcome the republican majority in the county, we'll not talk pollytix, but religion, education, good roads &c. &c.

"My neighbor, and a good labor too, foolishly over cropped himself this spring (June 1st) by putting 1 1/2 acre "second year land" in corn. He failed to break his ground but laid it off and platted, and while the corn was coming up the weeds multiplied and grew to the tune of an Arithmetical progression; so that when John, whose surname is Dick, found his corn patch it was lost, and all kinds of beasts, birds, four-footed creatures and creepin and dangerous things of earth, had taken up their abode therein and they disposed John's right of possession or even to enter. So it came to pass that he called in his inborn armed with cow bells, trumpets and drum, hoers, pitchfork and scythes, and with colors (green) flying and the music a high Tenor, such as would have nerved the musk, and braved the heart of a palatino or haboon, they marched to their fields, John leading, and cautiously looked over the fence and—moway they read your eyes guess at the rest for the slaughter that took place, then tell there is too horrible to relate with pen on paper, and being a modest and truthful man I never like to become mixed up in any man's business.

Now, Leather Head, I want you to attend the "Good Roads" convention with me and we will learn a good thing or two and come back and teach it or them to the people. I would say more to you, L. H., but if I did too spell the words inep you can't read it and all things I do shameless, had

spellin' iz ranks first.

You think you can out spel me, Bill Davis or Mat Ballard, cant near cut that. Now uncle Dick, if you will put the right word properly spelled in the blank space below, I'll confess that you are a better speler nor Bill Davis or Ballard: "I want you to get me two good dogs and a shot gun too." Here I have written three. Buck Varmon, P. S. Jerusha, Betsy sends you her best respects, asks for an acquaintance and friendship, and that you put in a kettle over your spare time "lectioenering" for me. Now, by the way, Betsy is a republican too, but then, she dont want me beat by Bill Davis or Mat Ballard, nor I don't blame her.

BUCK VARNON

Tomery and Ed Cox were over from Mt. Vernon, Tuesday. Bro. Ballew filled his regular appointment Saturday and Sunday. Several of our farmers contemplate cutting their wheat next week. W. H. Jones and H. H. Wood made a flying trip to Brodhead Tuesday. W. T. Short passed through Sunday, en route from Mt. Vernon to Richmond.

There has been a great deal of sickness around our little village, the past week. Mrs. Laura Proctor was in Mt. Vernon, first of week, visiting relatives and friends. Frank Coyle was down from Berea first of week, the guest of W. M. Hays and family. Miss Estie Richardson was down from Berea, visiting the family of A. W. Stewart, the past week. The rains of the past two weeks have thrown the farmers of this country considerably in the weeds. Mrs. Borbes, of Richmond, was in Wildie past week, visiting the families of W. H. Jones and J. Fish. Bro. Tom Flynn Farbush has been conducting a protracted meeting here the past week, with several additions. Bert Hays, who has been away from this place for some time, is home visiting his parents, Mr. and Mrs. J. H. Hays. Miss Sarah Coffey, aged 80 years, living near Langford, died Saturday and was buried Sunday at Maret graveyard. Mrs. Ann Richardson returned from Berea Sunday, where she had been to attend the wedding of Dr. Davis and Miss Fannie Richardson.

A GOOD COUGH REMEDY

It speaks well for Chamberlain's Cough Remedy when druggists use it in their own families in preference to any other. "I have sold Chamberlain's Cough Remedy for the past five years with complete satisfaction to myself and customers," says Druggist J. Goldsmith, Van Etten, N. Y. "I have always used it in my own family for ordinary coughs and colds and for the cough following La Grippe, and find it very efficacious." For sale by Theo Wesley Druggist.

A severe sprain will usually disable the injured person for three or four weeks. Many a man has occurred however, to which a cure has been effected in less than one week by applying Chamberlain's Pain Balm. For sale by Theo Wesley Druggist.

BRODHEAD

Mr. Wm. Francisco went to Wildie Tuesday.

Mr. W. H. Sowder is grunting again this week.

Mr. James Denny is very low with flux, at this writing.

Mr. Joseph Smith, of Oak Hill neighborhood, was in town Tuesday.

Mr. James D. Hamm, our old constable, was with us one day this week.

Mr. Wm. Jones, of Wildie, was in our midst Tuesday.—Mr. E. Rimel was also with us.

Mrs. Thomas Francisco and children are visiting her father and mother, at Flat Lick, this week.

The Republican candidates for the nomination for the different offices are as thick as the potato bugs.

Mrs. A. E. Albright is spending the present week with relatives and friends at Langford and Mt. Vernon.

The Hon. R. G. Williams, of Mt. Vernon, was down to see us all last Tuesday. He also paid Cula Sulphur a visit.

Our energetic merchant, Mr. J. Thomas Cherry, is getting a good trade from Livingston and other points on the R. R.

Mr. C. S. Griffin, of Mt. Vernon, the present juror, and candidate for the next sheriff's place, was with us one day this week.

Bro. A. J. Pike filled his appointment with Giles church in Madison county, last Saturday and Sunday, returning home Monday evening.

Messrs. Dr. Percy Benton, J. W. Tate and our wide awake Marshall were in a private consultation the other day, and when asked if the conversation was secret, they said: "Oh! no we were just talking about boring an oil well." They say they are going to farm a stock of oil and bore for oil, so we will report the result later.

Messrs. A. N. Bentley, W. L. Livington, were in our town Wednesday. The people from all points of the county, come to our town to do their trading, this speaks well for our town, and our merchants. It seems shows that our merchants keep a better stock of goods at a smaller price than if the public can get at any other town or store in the county.

Messrs. Jonas McKenzie, Wm. Poynter, D. N. Williams, William Cox, Neal Parrett, David Purdie, James Woods, F. L. Thompson, and ex-Judge P. D. Collier and Judge Williams, all of Mt. Vernon, took dinner at the Francisco house Tuesday. And as we watched Mr. Thompson finish up, we asked ourselves the question: has the horse made anything out of this transaction, and the only way to know, is to ask Mrs. Francisco.

The anticipated change in the county road near Mr. Robert Woodall's, that has been talked of so long, was made last Tuesday. Our county judge, with the county attorney, and J. W. of Mt. Vernon, citizens, came down to condemn and assess the value of the entry that had been made some time ago, but when the judge and attorney and Mr. Woodall, all got together and talked matters over, they came to an agreement and returned to our points satisfactorily to all parties. Mr. Woodall acted manly and agreed with the court to have

different route surveyed and condemned, and agreed to take so much for same, and everything went off satisfactorily to all parties concerned. The new route runs through Mr. T. S. Frith's land also, and he, like Mr. Woodall, acted very gentlemanly and agreed with the judge, on the amount of damage. So we will soon have our new road, out of the creek.

Hon. Devil, you, editorial, in last week's Signal was certainly to the point, but it takes something worse than the Devil to bluff me.

Mr. James Vanwinkle and Miss Bettie Croucher were united in the bonds of matrimony, near here last Wednesday. Rev. J. W. Lambert officiating.

There is nothing short about Dr. Lewis as one of the shrewdest farmers in this section, from the way he has made a start on the old Store farm, near here.

Frank Mobley has moved from near Sander to Climax. We disliked very much to part with Frank and give him up as a neighbor, but the best of friends have to part.

UNNECESSARY LOSS OF LIFE. Mr. W. S. Whedon, Cashier of the First National Bank of Winterket, Iowa, in a recent letter gives some experience with a carpenter in his employ, that will be of value to other mechanics. He says: "I had a carpenter working for me who was obliged to stop work for several days on account of being troubled with diarrhoea. I concluded to think that I had been simply troubled with the Chamberlain's Colic, Cholera and Diarrhoea Remedy had cured me. He bought a bottle of it from the druggist here and informed me that one dose cured him, and he is again at his work." For sale by Theo Wesley Druggist.

ANNOUNCEMENTS

We are authorized to announce
Chesley Payne,
as a candidate for Magistrate in the Second district, subject to the action of the Republican party.

The following is what a republican and a close friend of Commissioner Verkes, had to say about him being the next candidate for President:

"I don't think there is any doubt but that when the Kentucky delegation goes to the next Republican National convention they will be hurrying for John W. Verkes for President," said a Kentuckian and an old friend of Verkes to the Louisville Times correspondent Saturday morning when the probability of the latter being a candidate for the nomination for President was mentioned. "The Revenue Commissioner is one of the most popular Republicans in the South and is recognized as a strong leader. At the convention five years ago when it was decided that the vote of the South should be given to McKinley, Verkes was selected to make the second speech on behalf of the Republicans of the South. Previous to that time, and ever since, he has been very close to McKinley and the Administration and is often consulted about affairs of the South. When the office of Commissioner of Internal Revenue became vacant the President did not have to look twice to find the man he wanted. Now Verkes is stronger than ever before, not only in his own State, but throughout the South, where his business and social communications are constant."

"I don't say that Mr. Verkes is an ideal candidate for the presidency, but he is our man for the South should have a candidate. There is no reason why we should not have a President from below the Ohio river, and if they give us a chance we will furnish a good one."

Verkes will be President, when Emperor William appoints him.

LOUISVILLE'S business men, who made a visit to a few of the Bluegrass towns Tuesday and Wednesday, were given cordial receptions at each and every town they visited. While the stay, at each place, was rather short, yet, the citizens of the various towns visited, left nothing undone, but did every thing possible, to show the appreciation of the visit of their highly honored guests.

GOV. ALLEN, of Porto Rico, has made a report to the State Department that a special session of the Territorial Legislature, will convene July 4, and would declare free trade between the United States and Porto Rico. TENNESSEE will have a triple hanging July 18th, when Babe Battise, Duser Thompson and Abe Fetway, all colored, will be called upon to say the penalty for murder. At this rate, Tennessee, will soon be rid of vice or will have the necks of all its law violators, broken open.

"Boss" Sapp has, it seems, once played his part on the Republican political stage in Kentucky, as the latest news has him with step down and out. If the resignation of Mr. Sapp, is requested, Mr. J. T. Craft of Louisville, will be the lucky man.

RESOLUTIONS.

MR. VERNON, KY., June 18, 1901. In memory of Brother R. D. Cook, F. & A. M.

WILKES. - Almighty God, our Great Grand Master, deemed it prudent in His wisdom to call our Brother, R. D. Cook, from his labors on earth to the celestial home above, on May 22nd, 1901.

Therefore, Be it resolved, that while we deplore the death of our beloved brother, we grieve at the loss we have sustained by his departure from our midst, we submit with reverence to the fact that he has called him hence and feel assured that our loss is his eternal gain.

Resolved, That we mingle our grief with that of his bereaved family and relatives, and heartily sympathize with them in the application that has deprived them of a father and friend, and bid them look to Him, who can heal all sorrow, for that consolation no earthly power can give.

Resolved, That these resolutions be engrossed on the Minutes of Ashland Lodge, No. 640, F. & A. M., a copy be sent to his family, and a copy be furnished to the Mount Vernon Signal and the Kentucky Cabinet for publication. Ashland Lodge, No. 640, F. & A. M., June 18, 1901.

FINED—Emmet Quinn and John Renner were fined \$5 and the cost, yesterday for failing to work the county roads.

DRUGGIST'S MEETING.—The State Pharmaceutical Association, which met at Crab Orchard this week, was well attended by druggists all over the state.

TO CURE A COLD IN ONE DAY. Take Laxative Bromo-Quinine Tablets. All druggists refund the money if it fails to cure. H. W. Groves' signature is on each box, 25cts.

HELD OVER—Jack Lunceford, living near the Jackson county line, was tried Wednesday on a charge of incest, and was held over under a bond of \$250, which he was unable to give.

READY FOR WORK.—W. B. Whitehead has his planing mill ready for operation, and will commence work, as soon as crop time is over. This is something Mt. Vernon, as well as many other towns, has been needing for some time. One of the greatest needs of the town is a few more enterprising citizens like Mr. Whitehead, thus we have.

Squire John Elder was in Monday and told us that he had about completed his arrangements, to leave this county and go to Lincoln, this fall. That is what's the matter with our county now, too many of our best men are leaving and going to other counties, and such will continue to be the case, if we stay in the same old rut, where we have been for years. Bad roads are the principal cause.

Anderson, of Orlando, an employee of the railroad company, was riding on the side of a car loaded with heavy rock, and one of the rock rolling off and striking him in the back, he was thrown under the train, and killed almost instantly. Mr. Anderson was one of the best families of our county, and his sad and unfortunate death is greatly deplored by all.

The undersigned had much of Middleborough News in his possession, and estimates, Secretary of the Middleborough Fair Association, as a newspaper man objecting to a newspaper man as a fair secretary is not work anybody but you will walk into our trap.

Should you visit Middleborough on the Fourth of July, or the August 30th and 31st, either day.

you are cordially invited to be the guest of the Association—and you includes the whole family.

The moment you step from the train the freedom of the city is yours without money and without price. And while here you will be at liberty, to take your enjoyment in anyway you choose—and we will foot the bill.

Don't bring any money, it will only be in the way and temptation to us to try and get it. All you will be expected to do is to bring your appetite and capacity.

Middleborough furnishes in lavish abundance all the forms of enjoyment, from the highest knon to nature, to the viest knon to man. Just what portion, or portions, you take must rest entirely with you.

"CAN'T Afford TO Paint"

THE man who says that, forgets that painting properly done is economy, and the fact is he can't afford NOT to paint. HOW often you require to paint is largely dependent upon the paint you use.

The Sherman-Williams Paints out last others. They are the most economical paints you can use, because they cover most and wear longest. Add to this their good appearance, and you have perfect paints—THE SHERMAN-WILLIAMS PAINTS.

They are made for many different kinds of painting. Whatever it is you want to paint—a house, or anything in or out of the house—we make the right paint for that particular purpose—not one slap-dash mixture for all.

LION COFFEE

A LUXURY WITHIN THE REACH OF ALL!

Watch our next advertisement.

You want LION COFFEE because it is LION COFFEE.

If, on the other hand, you want a coffee which, in order to hide imperfections, is "highly polished" with eggs and other preparations, then do not buy

LION COFFEE

If LION COFFEE were common, ordinary stuff, coffee drinkers would not insist on having it. It is used in millions of homes because it is the best coffee in the world for the price. If you doubt this, take a single package home and try it.

In every package of LION COFFEE you will find a fully illustrated and descriptive list. No housekeeper, in fact, no woman, man, boy or girl will fail to find in the list some article which will contribute to their happiness, comfort and convenience, and which they may have by simply cutting out a certain number of Lion Heads from the wrappers of our one pound sealed packages (which is the only form in which this excellent coffee is sold).

WORLD-WIDE SPEC. CO. TOLEDO, OHIO.

Jeff Rose, of Lack Creek, sold to John Brown one day last week seven head of yearling cattle at \$1.70, 4 1/2 cents. He says that almost any farmer should make 50 per cent on his sheep, but that the ravages of worthless dogs on his flock has driven him to the point where he wants to quit the industry and he will sell his fine ewes at the first opportunity.—Harrodsburg Democrat.

There never has been a time in the history of this country, when pure-bred cattle were in such high favor as now. The inquiry is as broad as our neighbors across the border, both north and south. There have been temporary spasms in the demand for high-class cattle in years past, but it is never universal, as it is now. There were never such good, wholesome reasons to find it. We are an unbroken sheet in the general cattle supply, and we will stand head and shoulders with a field abroad which is constantly growing. The public is willing and better able to pay for better meat; why shouldn't it be produced?—Drovers' Journal.

Women suffering from Headache, Backache, Nervousness, Sleeplessness, Melancholy, Fainting and Dizzy Spells will find it a precious blessing. Try it. Satisfaction is guaranteed at all drug stores.
