Combined Final Notification and Finding of

Combined Final Notification and Finding of No. Significant Environmental Impact The U.S. Department of Agriculture, Rural Development (RD) has received an application for tederal assistance from the Western Rockcastle Water Association, SAI #XY960430-0317. The specific elements of this proposed action consists of adding additional waterlines, replacing 4,000 feet of transmis-sion line and paint one storage tank and upgrade a booster etation. station.

USDA/RD has as essed the potential environme tal impacts of this proposed action and determined that the location of the proposed action and determined that the location of the proposed water system construction would impact the 100-year floodplain. It has been determined that there is no practicable alternative to avoid this impact. The basis of this deter on is as follows:

Initiation is as follows: -The floodplain could be impacted by the construction of the proposed water system due to stream crossings. -The proposed water system must be located within the floodplain norder to serve the proposed customers. -The applicant will be required in the RD Letter of Conditions to amend its bylaws whereby it will deny service to any new customer planning to build in a floodplain. -The proposed action conforms to applicable state and local floodplain protection standards. -The waterlines will be laid on public right-of-ways, where necessary, to avoid impacts on any prime farmland and/or wetlands or endangered species habitat that may be in the vicinity. -There are no cooperating agencies on this project.

It was also determined that the proposed action will no signifi-cantly affect the quality of the human environment nor will an environmental impact statement be required.

environmental impact statement be required. Any written comments regarding these determinations should be provided within 15 days of this publication to Mr. Thomas G. Fern, State Director, Rural Development, 771 Corporate Drive, Suite 200, Lexington, Kentucky 40503. USDA/RD will make no turther decisions regarding this proposed action during this fifteen day period. Requests to review the USDA/ RD environmental assessment upon which this determination is based or to receive a copy of it should be directed to the USDA/RD District Office, 95 South Laurel Road, London, KY 40741. 40741.

Man beaten in Florida dies here

A Florida man was dead on arrival at the Rockcastle Hospital Mon-

val at the Rockcastle Hospital Mon-day moming. Rockcastle County Coroner Bill Dowell said Tuesday that a prelimi-nary autopsy report indicated that Billy Gene Bolander, 65, of Grove City, Forida probably died of natural causes. Dowell said that he and po-lice initially thought that Bolander usay have been beaten to death, but that apparently wasn't the case. The coroner said that a traveling companion of Bolander's told autori-ties that Bolander had been beaten up in a "Gay Bashing" in Florida a few days ago.

Dowell said that Bolander's companion, who told authorities that he was gay, had agreed to drive Bo-lander to his hometown of Bryant,

Ohio. Dowell said the two men stopped Sunday night in ML Vernon, enroute to Ohio, and when the traveling companion of Bolander's awakened Monday morning he realized Bolan-der was having problems. He noti-fied Econo Lodge personnel who in two called for an ambulance turn called for an ambulance. The coroner said that final results

Judge appoints 3 new members to Northern board

By: Ray McClure By: Ray McClure Northern Rockcastle County Water District will soon be a part of the Western Rockcastle Water Asso-ciation , County Judge-Executive Buzz Carlofits told the Rockcastle County Fiscal at a called meeting last Thursday. Tonly the approval of the Ken-thcy Public Service Commission (PSC) in Frankfort stands in the way plans for the district for over a year, unapproved.

unapproved. The Judge-Executive told the court that if Western was set-up as a district instead of an association the approval would have already come from Frankfort.

Tom Frankfort. But, Western has already taken over the daily operation of Northern and on Tharsday the Judge-Escu-tive appointed three new members to the Northern board. Denver Burton, who heads West-ern Water was placed on the board for three years. Eddie Hamm was appointed for two years and West-ern's attomey Jerry J. Cox was ap-pointed to the board for one year. The three men replace Byron

members that a shortfall occurred in general fund receipts for the county when the state reclassified the county's coal producing status. Rockcastle County Treasurer/oe Clontz said that about 578,000 was received by the county last gear from the state as part of coal severence money, but that only 530,000 was received this year.

"Normally we would borrow money from other county funds, such as jail or road, but both of those funds are strapped right now," Clontz said. "The jail fund is low because of

jail renovation and juvenile bills and theroad fund is low because of work at the Copper Creek slide," Clontz said:

"We paid \$180,000 for work done on that project, but that money will be reimbursed to us by the federal gover-ment," Clontz said.

The Judge told the court that the money would be paid back by mid-December. (Cont. To A2)

HEALTH CARE TREND #3: Outpatient Services

W wany beds does your hospital have?" People of how busy a hospital was. But, overnight stays are decreasing and no longer are a reliable measurement of a hospital's performance.

Today, the best way to assess a hospital is to look at its outit service areas. That's where the growth should be.

Thanks to improved procedures and technology, many tests, surgeries and treatments now can be done on an outpatient basis. That saves patients time and money, and enables them to recover in their own homes.

Reckassle Hospital and Respiratory Care Center's outpatient services have seen significant growth during the past several years. This is respecially apparent in the number of radiology and the tests performed and outpatient visits, such as physical and respiratory therapy and speech/language pathology.

At Rockcastle, we may be small, but we're growing in all the right places.

"IT IS WRITTEN"

In Hebrews 12:14 we read. "Follow peace with all men, and diness, without which no man shall see the Lord." Holiness signifies Johiness, without which no man shall see the Lord." Holiness signifies a separation to God and a separation from the world - the domain of darkness, which Satan is the Prince of . Notice what God's grace teaches us: "For the grace of God that bringeth solutation halt appeared to all men, "Eaching us that, denying ungodliness and worldly lusts, we should live soberly, rightebusy, and godly, in this present world." Titus 2:11-12. Holiness demands that we shun the evil, denying ungodliness and worldly lusts, and holiness abo demands that we seek to live right in this world. A lot of folks are progehino a "chean" grace that demands nothing

cvil. denying ungedliness and worldly lusts, and holiness abo demands that we celoc to live right in this world. A lot of folks are preaching a "chear" grace, that demands nothing fit's hearers. God's grace is costly. It cost God, the life of his Son on the cross, to bring about our redemption beloved! And God's grace teaches us, yea, compels us to live a godly and holy life! Even in lude's day men were "turning the grace of God into inscriviousness." Jude 4. Men are saved by grace through faith (Eph.2.8), but real faith that saves, moves men to obey the gospel, and hve a life of holiness. 2 Corinhians 7:1. "Having therefore these promises, dearly beloved let us sleame ourselves from all fibliness of the flexh and spirit, perfecting holiness in the fear of God." In passages like Gal.5:19-26, Eph.4:17-5:12; Col.3:1-16, we have a list of some of the "filthy" gaments that need to be cast aside, and the wonderful fruits of walk the highway of holiness, Isaih 358, "And an highway shall be ener, and a way, and it shall be called The way of holiness, the unclean shall not pass over it. but it shall be for those: the wayforting en, though focks, shall not er therein." What about you, are you willing to walk the way of holiness? It all begins by becoming a Christian, ML28,18-20, Mk 1615-16; Ac.2:36-41. Dear Editor

Dear Editor, 1 read the letter in the paper last week, and felt I should respond. I am a member of the Livingston Fire and Rescue Department, and Yes I do Rescue Department, and Yes I do have a Medical License and some police training. The reason we respond to things

without being paged is because, fire control can not seem to figure out where the boundary lines are for the

departments — we even gave them a map. In the last four weeks, ML. Vernon has been paged 3 times into our district. The writer of the letter forgot to tell you that he was in the city park tearing up a bench that was concreted into the ground. After being told many times that the law had been called, he still would not lawer. Everything less took place after he tried to fight sev-enal other poople.

still would not leave. Everything else took place after the trick to light sev-eral other people. Why do you complain about Fire and Rescue members responding to emergencies without being paed and say nothing about your best buddy, a convicted felor with a Revoked E.M.T. license, using a scanner to race to scenes in her Blue Mini-Van? She raced down to where Russell was filled (drove past, turned around and drove back past to town.) Fire Chief-Sam Stallsworth was going to Bar-bourville with a school busand drove up on that school busand drove up on that school busand drove VGUR scene after S.O. was dis-patched on the radio. As long as the local Ambulance Service people gohome at 4 p.m. and et an ambulance to respond to emer-gencies we will try to help people waint for an ambulance. (Sometimes, and yo).

waiting for an ambulance (Sometimes, up to 4.5 minutes, and only 10 miles away). Where did you go from the time you left the park till you got to the hospital? How was the party? Who did you fight with at the party that was runnored to have cut you there? How many different versions of what happened have you told so far? Isn't it about 5? Everyone save the County Attor.

Everyone says the County Attor-ney is a high school friend of your best buddy, and is scared to cross her

even if you do admit to starting the fights. Is that it, or does Rockcastle County really end at 1-75? Peter T. Ayers Livitfgston Fire and Rescue

Dear Editor.

Livingston Fire and Rescue Dear Editor, . This year was our first attempt to get a local Farmer's Market estab-lished. Anyone who has tried some-thing new is very aware of the many problems that can be encountered with start upproject — we could not have done it whou the support of so many people. We wanted to thank severyone in the community that sup-pord us throughout the produce season — whether they just stopped by the visit and chait, or purchased theored the provers. A big Thask You to Mr. and Mrs. Frank Napier, for the use of the land for the Farmer's Market at Burr. A big Thank You to LEAP for providing the initial start up costs and all the support they gave us roughout they gave us for mest year already. We want to make Farmer's Market a success for the local growers and consumers. We will take orders now for next year's growing season. This will give any-ong the opportunity to have their more farmers for next year so we can offer a greater variety of produe. II you have any suggestions for next year. Please feel free to contact Inaat LEAP at 453-9800 or call Tammy at 758-8388. Once again, thank you to everyone for helping make the first year of the Rockcastle County et framer's Market a success We could not have done it without great sup-ort.
